This book is designed to teach the guitarist the technique of chord soloing. This technique is extremely valuable to all guitarists because chords and melodies are played together; there is no need for an accompanying instrument. Each chapter focuses on a different aspect of chord soloing. I would recommend that novice guitarists start at the beginning and work through the book slowly. Intermediate players may want to find a chapter that looks challenging and start at that point. By the end of this book, you will be able to take any lead sheet and turn it into a guitar arrangement. Enjoy the journey into the fascinating world of chord soloing.

He belongs to a restricted community of guitarists who place music even above the guitar." - Roland Dyens "Exceptional qualities as a performer, scholar, and human being... Cosley is also a very talented and accomplished composer and improviser." - Ricardo Iznaola AUTHOR BIO: DAN COSLEY is a guitarist, composer, and arranger based in Kyoto, Japan. An expert on classical guitar technique and repertoire, as well as jazz improvisation, Dan has successfully prepared students to attend top institutions such as the Berklee College of Music while maintaining a full teaching, composing, and performing schedule. Three intensive years as teaching assistant to renowned pedagogue Ricardo Iznaola strongly influenced Dan's teaching and learning approach. Afterward, he served as professor of music at Marylhurst University in Portland, Oregon, where he taught classical and jazz guitar, orchestration, guitar ensemble, notation, and composition. In 2017, following the closure of Marylhurst University, Dan took leave from academia and relocated to Kyoto, Japan, to intensify his composition and performance activities. Most recently he has created wayoftheguitar.com, a comprehensive online training system for fret-board harmony, aural skills, and improvisation.
