Your students need clear, complete answers to their questions about grammar, research, and writing in the social sciences—and they often need them at a moment's notice. As their teacher, you are their greatest resource, but you can't be available 24/7. For help with work in class and at home and especially for questions at odd hours, students can turn to *A Pocket Style Manual, APA Version*. The APA version of *A Pocket Style Manual* provides help for students writing in disciplines that use APA style: psychology, sociology, economics, criminal justice, nursing, education, business, and others. With a focus on APA conventions and practices, examples and models from across the disciplines, and guidelines for integrating and documenting a wide variety of sources, *A Pocket Style Manual, APA Version*, gives concise, straightforward, and trusted advice for any writing situation.

A Writer's Reference, the most widely adopted handbook in the United States, continues to be groundbreaking in its simplicity, offering the right content in an accessible format. New coauthor Nancy Sommers's own research, campus travel, and classroom experience keep the handbook in tune with the needs of academic writers. In a trusted quick-reference format, the seventh edition delivers advice on all the right topics: working with sources, revising with comments, preparing a portfolio, and more. *A Writer's Reference* offers unprecedented flexibility with several versions to choose from -- a handbook that's truly at your service.

Becoming a college writer means becoming a college researcher, and it can be a challenge for students to keep all of the guidelines and best practices straight for each class. Enter *A Pocket Style Manual, APA Version*. The eighth edition--with its emphasis on step-by-step how-to instruction that helps students apply writing, research, and citation advice in practical, transferable ways--is a powerful companion for writing in all disciplines. What's more, it covers all aspects of writing in APA style, including over 100 APA documentation models and 11 sample student papers in diverse genres, from a literature review to a laboratory report to a professional memo. With Pocket's new research help, tested and trusted grammar and style advice, and digital tools that make practice, tracking, and grading simple, you've got the most powerful pocket guide for college writing and research.

"With Writing in the Disciplines"--Cover.

Offers advice on the writing process, with information on clarity, grammar, punctuation, mechanics, document design, research, MLA style, APA style, and the challenges of multilingual writers.

Click here to find out more about the 2009 MLA Updates and the 2010 APA Updates. *Rules for Writers* succeeds because it has always been grounded in classroom experience. By looking at her own students' needs, Diana Hacker created an affordable and practical classroom tool that doubles as a quick reference. Developed with the help of instructors from two- and four-year schools, the sixth edition gives students quick access to the information they need to solve writing problems in any college course. In the Hacker tradition, the new contributing authors – Nancy Sommers, Tom Jehn, Jane Rosenzweig, and Marcy Carbajal Van Horn – have crafted solutions for the writing problems of today's college students. Together they give us a new edition that provides more help with academic writing and research and one that works better for a wider range of multilingual students. Flexible content options – in print and online – allow students to get more than they pay for.

With practical advice and plenty of student models, *Writing in the Disciplines* provides a jump start for writing college papers in nine disciplines – biology, business, criminal justice/criminology, education, engineering, history, music, nursing, and psychology. Each discipline section features information on audience expectations in that area of study, the types of questions asked, the types of documents produced, the kinds of evidence used, appropriate language conventions, and appropriate citation styles. Each section features a model student paper (two in business) written in response to a typical assignment in the discipline.

Have you ever stayed up all night to finish a paper? Wasted hours chasing after sources that weren't even relevant? Had your grade marked down for citation formatting errors or proofreading mistakes? Asked yourself if there was a better way to write papers? Then this book's for you. The good news is there IS a better way to write. Deleuzienne, academic writing veteran and author of *HACKING PAPERS*, is back with the good news in the form of 101 tips to help students optimize the research and writing process. Say goodbye to stressful all-nighters and disappointing grades, and learn how to hack papers instead. Discover how to make paper writing work for you with proven tips from a writing expert. You'll learn how to: * Find great sources - quickly!* Develop a great thesis statement* Get started writing (and keep writing) even when you think you have nothing to say* Proofread and revise without going insane* Quit worrying and learn to love citation managers* And much, much more! * Time-saving strategies to avoid common errorsThe book also includes email templates for tough situations, like asking for an extension, requesting an interview with a Real Live Expert, and hour-by-hour plans for writing on tough deadlines! "I'd recommend this to all my current students" - A current college professorVolume 1 of the *PAPER HACKING* serie

Click here to find out more about the 2009 MLA Updates and the 2010 APA Updates. A proven success, *A Canadian Writer's Reference, Fourth Edition*, remains the easiest reference tool to use and understand. Updated with Canadian content and conventions, the fourth edition features new contributing authors who bring a wider range of teaching practice to the book – and who have shaped a writer's handbook that serves an even broader and more diverse student body.

This version of the best selling college handbook includes a tabbed section called Writing about Literature, a practical guide to interpreting works of literature and to planning, composing, and documenting papers about literature. Students will find help with forming and supporting an interpretation, avoiding plot summary, integrating quotations from a literary work, observing the conventions of literature papers, and using secondary sources. Writing about Literature also includes two sample student essays – one that uses primary sources and one that uses primary and secondary sources. The full primary texts are also included. Writing about Literature is also available in a packageable, stand-alone booklet (ISBN: 978-0-312-65684-3). Contact your sales representative or sales_support@bfpub.com for a copy.
