Hallo Anna est une méthode pour les enfants à partir de 7 ans sachant déjà lire et écrire dans leur langue maternelle. Cette collection est composée de trois niveaux. Le niveau 1 comprend une unité de démarrage, 8 unités avec des thématiques ludiques autour de la famille, l'alimentation, les chiffres ainsi qu'une annexe avec les fêtes traditionnelles. Le livre est accompagné de deux CD audio.

Hallo Anna est une méthode pour les enfants à partir de 7 ans sachant déjà lire et écrire dans leur langue maternelle. Cette collection est composée de trois niveaux. Le livre du professeur contient des informations pédagogiques pour aider l'enseignant à animer son cours.

Recounts the author's special friendship with an exuberant, precocious, little runaway orphan, whom he came upon when she was four years old and who explored life with unparalleled gusto until her death three and a half years later. Reprint. 15,000 first printing.

DEUTSCH HEUTE successfully develops the skills of introductory German students by maintaining a focus on building listening, speaking, reading, and writing skills. Manageable for two-semester courses, the Tenth Edition covers grammar in a logical sequence. Each chapter contains many function-based activities that focus on specific emotional expressions. Students are introduced to contemporary life and culture in German speaking countries through a cast of recurring characters who appear in the Bausteine für Gespräche (dialogues) and some readings and exercises, as well as in the Student Activities Manual (SAM) and tests. The DEUTSCH HEUTE program includes the iLrn Heinle Learning Center. Everything your students need to master the skills and concepts of the course is built into this dynamic learning environment. The iLrn Heinle Learning Center includes an audio-enhanced eBook, assignable textbook activities, companion videos to accompany the new Video-Ecke section in the textbook, partnered voice-recorded activities, an online workbook and lab manual with audio, interactive enrichment activities, and a diagnostic study tool to help them prepare for exams.
