Discusses why hitting and physical violence are wrong and demonstrates the many other fun things for which hands can be used, such as saying hello, playing, creating, and helping.

It's never too soon for children to learn that violence is never okay, hands can do many good things, and everyone is capable of positive, loving actions. In this bright, inviting, durable board book, simple words and full-color illustrations teach these important concepts in ways even very young children can understand. Created in response to requests from parents, preschool teachers, and childcare providers, this book belongs everywhere young children are. Includes tips for parents and caregivers.

With gentle encouragement, this book teaches children that they can think before speaking, choose what to say and how to say it, and find positive ways to respond when others use unkind words. The importance of saying "I'm sorry" is reinforced. Includes tips for parents and caregivers.

"Look at those feet! Aren't they sweet?" Yes—when they're walking, standing, leaping and landing. And when they're kicking balls or leaves. But not when they're kicking people! In simple words and charming full-color illustrations, this book helps little ones learn to use their feet for fun, not in anger or frustration. It also includes tips for parents and caregivers on how to help toddlers be sweet with their feet.

this no hitting books for preschoolers and toddlers isa perfect gift book for kids and parents who want to see their kids improve in behavior.give your children the power to choose and behave well. such social skill is vital for their development. happy hands are not for hitting is written from a expereince parent and teacher.hands are not for hitting . hand with little kids becoming bigger kids. With contemporary art and child friendly stories, these books provide a fresh approach to growing up! This endearing story will help children understand that it is never okay to hurt others and will encourage them to make good decisions for themselves. As they read along, children will discover how to appropriately respond to their emotions so that they can learn to use their hands in helpful not hurtful, ways.

“Crunch crunch crunch. Teeth are strong and sharp. Crunch crunch crunch. Teeth can help you chew. But teeth are not for biting. Ouch! Biting hurts.” Sooner or later, almost all young children will bite someone—a friend, a parent, a sibling. This upbeat, colorful, virtually indestructible book helps prevent biting and teaches positive alternatives. The companion to our best-selling *Hands Are Not for Hitting Board Book*, *Teeth Are Not for Biting* gives reasons why children might want to bite. Little mouths feel sore when new teeth come in; sometimes kids bite when they’re hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. Author Elizabeth Verdick suggests positive things children can do instead of biting: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. This book also includes helpful tips for parents and caregivers.

It's the first day of school for Penelope Rex, and she can't wait to meet her classmates. But it's hard to make human friends when they're so darn delicious! That is, until Penelope gets a taste of her own medicine and finds she may not be at the top of the food chain after all. . . . Readers will gobble up this hilarious new story from award-winning author-illustrator Ryan T. Higgins.

As parents and teachers know, yelling comes naturally to children. This friendly, encouraging book, geared to preschool and primary children, introduces and reinforces where and when to use an “indoor voice” or an “outdoor voice.” In classic Best Behavior style the author tells young readers, “Your voice is a powerful tool. How you use it is up to you.” Vivid illustrations show the times and places for an indoor voice, the ways people ask us to quiet our voices, and times when yelling might occur. “What happens if you’re mad or frustrated or really, really excited? Your voice gets louder and LOUDER.” But yelling hurts people’s ears and feelings. Children learn that they can quiet their voice and use their words to talk about a problem. “Think before you yell, and use your words well!” Includes a special section for parents and caregivers with activities and discussion starters. The Best Behavior series uses simple words and delightful full-color illustrations to guide children to choose peaceful, positive behaviors. Select titles are available in two versions: a durable board book for ages baby-preschool, and a longer, more in-depth paperback for ages 4–7. Kids, parents, and teachers love these award-winning books. All include helpful tips and ideas for parents and caregivers.

Gives examples of how young readers may channel their anger away from hitting people.
