Madmen. Militants. Military. What are they fighting for? Discover Kashmir, a place of immense beauty and great tragedy. In this heartbreaking book, American storyteller Farhana Qazi takes you inside Kashmir, the world's most militarized zone and "Paradise on earth" to tell the true, emotional stories of women (and men) trapped by decades of conflict. In this incredible journey, Qazi examines conflict from both sides of the contested border, moving across mountains in India and Pakistan to bring you the secrets of an unforgettable people. This book sheds light on the "forever" conflict with descriptive prose and stories of women (and men) struggling to survive the brutalities of war. Qazi interviews the visible women of Kashmir: political activists, peacemakers, protestors, and ex-prisoners. These women all have one thing in common: they demand change to the Indian occupation of eight million people. Women deserve basic civil liberties and the right to human security. Like their men, women are calling for an end to torture, communication blackouts, curfews, and lockdown. These women are not the silent sufferers of war but the brave activists

Did Nirbhaya ’ s rapist, Ram Singh, commit suicide or was he murdered? For the first time we have a riveting account from an insider who has spent close to four decades as an officer at Tihar Jail during some of the most turbulent times in Indian political history. For the first time he breaks his silence about all he ’ s seen – from the first man he met in Tihar, Charles Sobhraj, to the controversies surrounding former CBI head, Alok Verma. Responsible for carrying out ‘ Black Warrants ’ , Gupta witnessed 14 hangings, the most recent and his last, being that of Afzal Guru. Joining him is award-winning journalist Sunetra Choudhury whose recent book *Behind Bars* is a bestseller and took her deep inside the maze of prisons. Read this book for the most intimate and raw account of India ’ s judicial and criminal justice system.

On a cold February night in 1991, a group of soldiers and officers of the Indian Army pushed their way into two villages in Kashmir, seeking out militants assumed to be hiding there. They pulled the men out of their homes and subjected many to torture, and the women to rape. According to village accounts, as many as 31 women were raped. Twenty-one years later, in 2012, the rape and murder of a young medical student in Delhi galvanized a protest movement so widespread and deep that it reached all corners of the world. In Kashmir, a group of young women, all in their twenties, were inspired to re-open the Kunan-Poshpora case, to revisit their history and to look at what had happened to the survivors of the

1991 mass rape. Through personal accounts of their journey, this book examines questions of justice, of stigma, of the responsibility of the state, and of the long-term impact of trauma.

A New York Times Notable Book For readers of Tommy Orange, Yaa Gyasi, and Jhumpa Lahiri, an electrifying debut novel about three unforgettable characters who seek to rise—to the middle class, to political power, to fame in the movies—and find their lives entangled in the wake of a catastrophe in contemporary India. In this National Book Award Longlist honoree and “gripping thriller with compassionate social commentary” (USA Today), Jivan is a Muslim girl from the slums, determined to move up in life, who is accused of executing a terrorist attack on a train because of a careless comment on Facebook. PT Sir is an opportunistic gym teacher who hitches his aspirations to a right-wing political party, and finds that his own ascent becomes linked to Jivan's fall.

Lovely—an irresistible outcast whose exuberant voice and dreams of glory fill the novel with warmth and hope and humor—has the alibi that can set Jivan free, but it will cost her everything she holds dear. Taut, symphonic, propulsive, and riveting from its opening lines, *A Burning* has the force of an epic while being so masterfully compressed it can be read in a single sitting. Majumdar writes with dazzling assurance at a breakneck pace on complex themes that read here as the components of a thriller: class, fate, corruption, justice, and what it feels like to face profound obstacles and yet nurture big dreams in a country spinning toward extremism. An extraordinary debut.

In this dark tale, Roy gives rays of hope that illuminate cracks in the nightmare she evokes. ” —Publishers Weekly

"Although ethnic and sectarian tensions have always been a feature of modern Indian history, the country was founded and governed in its first decades by a nationalist political movement - associated with the Indian National Congress -- that stressed the non-sectarian nature of Indian citizenship. Hindu nationalism, a contrary political force, was born in the 1920s but didn't take off politically until the 1990s. It finally secured national power in 2014 when a populist leader, Narendra Modi -- a former governor of the province of Gujarat -- leveraged a reputation for successful economic reform and popular resentment toward the country's Muslim minority to lead his Hindu nationalist party, the BJP, to national victory. In this book, Christophe Jaffrelot recounts how the Hindu nationalist movement under the leadership of Modi's BJP has deeply transformed the country. Jaffrelot's main argument is that the reign of Modi and his BJP has ushered India into a new type of regime - what he calls ethnic democracy. Modi's rule relies undeniably on popular consent. (In last month's Indian federal elections, Modi consolidated his 2014 win with a decisive electoral victory.) But under the BJP India has largely jettisoned the country's previous commitment to the preservation of the rights of religious and ethnic minorities. This book is based both on the author's long years of research in India and on recent extensive interviews conducted across the country with civil servants, government supporters, opponents of the BJP, and members of religious minorities. Because of the tense atmosphere of intimidation throughout the country, many of Jaffrelot's interlocuters refused to speak on the record; he has given them pseudonyms in this book. The book recounts how proponents of secularism and pluralism, including academics and NGO workers, have been brought to heel; how Christians and Muslims have been increasingly marginalized in national and

regional elections; and how the Hindu nationalist government has fostered the development of a shadow "cultural police force" -- with formal and informal ties to the state -- that censors public speech and intimidates political opponents. The book begins with an overview political history of modern India, explaining how the modern Indian state arose out of the heritage of British colonialism and then out of the Indian Congress-led national liberation movement. The bulk of the book takes up the rise and the rule of Hindu nationalism - Hindutva - and that of the strongman Modi, whose canny brand of populism has proven to be a game changer"--
