From bestselling author Ame Dyckman and illustrator Scott Magoon comes the laugh-out-loud story about a Misunderstood Shark who just wants to show the world who he really is... Every beachgoer knows that there's nothing more terrifying than a... SHARRRK! But this shark is just misunderstood, or is he? In a wholly original, sidesplittingly funny story, New York Times bestselling author Ame Dyckman and illustrator Scott Magoon take this perennial theme and turn it on its (hammer)head with a brand-new cheeky character. The filming of an underwater TV show goes awry when the crew gets interrupted by a... SHARRRK! Poor Shark, he wasn't trying to scare them, he's just misunderstood! Then he's accused of trying to eat a fish. Will Shark ever catch a break? After all, he wasn't going to eat the fish, he was just showing it his new tooth! Or was he? Explosively funny, extraordinarily clever, and even full of fun shark facts, this surprisingly endearing story gets to the heart of what it feels like to be misunderstood by the people around you. With a surprise twist ending, our Misunderstood Shark will have kids rolling with laughter!

They have super senses! They leap clear out of the water! They swallow prey in a single gulp! Let's face it: Sharks are ... SO COOL! And, well, so is this book! Sharks are among the world's top predators, but that's just ONE reason why they are SO COOL. So who wouldn't want to hang out with them to learn more! These books blend supercool animal photos with silly animal quips and info that will delight young readers and animal enthusiasts. For example, kids can catch the hunting habits of a great white shark while learning that its true nature is as chill as a frozen fish stick. This is the perfect little reader to get their brain buzzing and keep them laughing during down time, bedtime, or any time.
