When a sexy cowgirl ties him up then offers a suggestive proposal, Ty's more than willing to accommodate her, but only on his terms. Evan Masters has always lived her life one step ahead of most people. So she's surprised when she's faced with an intelligent, seductive, tightly controlled man who agrees to show her the ropes in the one area of her life she's yet to tread. As the sexual heat and anticipation between them builds to a boiling point, Ty discovers that his own personal Eve is more temptation than he can resist.
