Answers. tcarston1728. SHOW ANSWER. Emphasize Tubman's strength and determination. Explanation: This is most likely the reason why Greenfield uses nonstandard English in "Harriet Tubman." In this text, Greenfield wants to show the character that Tubman displayed in her life.

A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an " underground railroad " that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she ' d left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this " well-written and moving life of the ' Moses of her people ' ' ' (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, Harriet Tubman: Conductor on the Underground Railroad was also selected as an American Library Association Notable Book.

An easy-to-read, page-turning account of Harriet Tubman's life--from her childhood in slavery to her years as a conductor on the Underground Railroad to her later work as a suffragette and as a spy in the Civil War. This remarkable true story brings to life one of America's greatest female role models.

The definitive biography of one of the most courageous women in American history "reveals Harriet Tubman to be even more remarkable than her legend" (Newsday). Celebrated for her exploits as a conductor on the Underground Railroad, Harriet Tubman has entered history as one of nineteenth-century America's most enduring and important figures. But just who was this remarkable woman? To John Brown, leader of the Harper's Ferry slave uprising, she was General Tubman. For the many slaves she led north to freedom, she was Moses. To the slaveholders who sought her capture, she was a thief and a trickster. To abolitionists, she was a prophet. Now, in a biography widely praised for its impeccable research and its compelling narrative, Harriet Tubman is revealed for the first time as a

singular and complex character, a woman who defied simple categorization. "In the first major biography of Harriet Tubman in more than 100 years, we see the heroine of children's books and biopics with a new clarity and richness of detail." --Lev Grossman, Time

Activity Book includes: Story, Multiple Choice, Crossword Puzzle, Fill in the Blank, Word Search, Writing Assignment, Questions and Answers.

A biography of the black woman whose cruel experiences as a slave in the South led her to seek freedom in the North for herself and for others through the Underground railroad.

Born a slave in Maryland, Harriet Tubman knew first-hand what it meant to be someone's property; she was whipped by owners and almost killed by an overseer. It was from other field hands that she first heard about the Underground Railroad which she travelled by herself north to Philadelphia. Throughout her long life (she died at the age of ninety-two) and long after the Civil War brought an end to slavery, this amazing woman was proof of what just one person can do.

Scenes in the Life of Harriet Tubman: By SARAH H. BRADFORD. [Special Illustrated Edition]

"Gail Nelson is an unobtrusive narrator who lets Harriet Tubman's deeds and personality speak for themselves. And speak they do!" - AudioFile

The Underground Railroad was a system of people who wanted to help Southern slaves escape to the free North or Canada in secret. Between 40,000 and 100,000 people escaped to freedom thanks to the Underground Railroad. Readers are presented with a wealth of primary sources, including photographs, personal accounts, literature from the time, and pre-Civil War legislation pertaining to slavery. Readers will have a chance to reach their own conclusions based on facts they find in the primary sources. Sidebars provide readers with supplementary information about the difficult route slaves traveled to reach freedom and encourage readers to continue asking questions about primary sources about the Underground Railroad.
