When facing a difficult management challenge, wouldn't it be great if you could turn to a panel of experts to help guide you to the right decision? Now you can, with books from the Judgment Calls series. Drawn from the pages of Harvard Business Review, these interactive, solutions-oriented guides allow readers to access the wisdom of leading experts as they tackle familiar and perplexing business

situations. These engagingly written books will help managers improve problem-solving skills and make better judgment calls under fire. A preface provides an overview and sets the context for using these provocative case studies as learning tools in corporate classrooms. A relevant chapter from an HBE volume introduces the topic as a refresher course. Finally, an appendix of resources such as executive summaries, guiding questions, and a list of further reading rounds out the book. Judgment Calls provide insight into a variety of real world difficulties and offer solutions that managers will find both sound and practical. Our ideal reader is the business traveler who's thinking about this very issue, sees the book in the airport, and throws it in his or her briefcase to read on the plane. This volume, tentatively titled "Bob's Meltdown and Other Stories from the Frontlines of Management" looks at the most common issue in workplaces--employee behavior. What should you do when a star employee loses his temper in public? Worse yet, what if your protege seems to be coming unglued? All this and more!

The guide all MBAs and executive education students need. If you're enrolled in an MBA or executive education program, you've probably encountered a powerful learning tool: the business case. But if you're like many people, you may find interpreting and writing about cases mystifying and time-consuming. In *The Case Study Handbook, Revised Edition*, William Ellet presents a potent new approach for efficiently analyzing, discussing, and writing about cases. Early chapters show how to classify cases according to the analytical task they require (making a decision, performing an evaluation, or diagnosing a problem) and quickly establish a base of knowledge about a case. Strategies and templates, in addition to several sample Harvard Business School cases, help you apply the author's framework. Later in the book, Ellet shows how to write persuasive case-analytical essays based on the process laid out earlier. Examples of effective writing further reinforce the methods. The book also includes a chapter on how to talk about cases more effectively in class. Any current or prospective MBA or executive education student needs this guide.

Script from the year 2017 in the subject Business economics - Miscellaneous, grade: 1,0, language: English, abstract: During the university, you have to finish several case studies. Within this text the Harvard Business Review case studies Boise Automation, ENSR International, Medical Equipment Inc. and Heidi Roizen are covered. Not only solved by myself, but also supported by lecturer notes and the results of the in-class discussion. Each of the solutions mentioned in here are graded with full points.

This volume, tentatively titled "Growing for Broke and Other Stories From the Frontlines of Management" looks at growth strategy. How do you grow your business without sending it flying off the rails? When should you stick to your core? All this and more!

"You've got a great idea that will increase revenue or productivity--but how do you get approval to make it happen? By building a business case that clearly shows its value. Maybe you struggle to win support for projects because you're not sure what kind of data your stakeholders will trust, or naysayers always seem to shoot your ideas down at the last minute. Or perhaps you're intimidated by analysis and number crunching, so you just take a stab at estimating costs and benefits, with little confidence in your accuracy. To get any idea off the ground at your company you'll have to make a strong case for it. This guide gives you the tools to do that"--

With the enormous growth of the internet and social media sites, digital marketing is now worth more per annum than TV advertising in the UK. Social network advertising spending is expected to increase to a staggering \$4.3 billion in 2011 in a bid to attract today's media-savvy consumer. *The Best Digital Marketing Campaigns in the World* brings together an international collection of the most successful digital marketing campaigns of our time, assessing what they achieved and the business lessons learnt. This practical and insightful book explores how businesses large and small have harnessed social media, blogs, forums, online video and email to boost their brand and attract customers. Damian Ryan and Calvin Jones present a selection of hand-picked case studies, sharing the knowledge and skill of the world's top creative minds. Covering everything from household names such as Pizza Hut and Pepsi to Obama's 2008 presidential election campaign, this book is the must-read guide for all marketers looking to embrace the new digital landscape.
