sites, using the camera, synching with a PC, downloading apps, and more. Covers all the details of the operating system that applies to every Android phone, including Motorola Droids, HTC devices, Samsung Galaxy S phones, to name a few Walks you through basic phone operations while also encouraging you to explore your phone's full potential Serves as an ideal guide to an inexperienced Android newbie who is enthusiastic about getting a handle on everything an Android phone can do Android Phones For Dummies helps you get smarter with your Android smartphone.

The Rough Guide to Android Phones and Tablets is a must-have introduction for anyone picking up a new Android device. Written for the new Android 4 platform, the book covers everything you need to know to make the most from your new device, from the basics right through to advanced techniques and tricks. We've tried and tested thousands of apps across a full range of categories and bring you 100 of the best, complete with codes you can scan into your Android device to grab the app straight from the book. Now available in ePub format.

Android is the mobile operating system that is used on the majority of

Online Library Hd Wallpapers For Roid Phones

smartphones worldwide. It is a robust and versatile operating system that can be used by any manufacturer to add to their handsets. This means that there is a wide range of Android phones available and also different versions of Android that run on them. Android Phones for Seniors in easy steps, 2nd edition starts with a detailed look at the different versions of Android, and the range of models of phones that are available. It also explains the relationship with Google and the services that can be used with an Android phone. The book looks at using the interface of an Android phone including:

- Using Home screens
- Organizing apps
- Viewing notifications
- Locking the phone
- Searching for items
- Accessing the range of Android settings

· Syncing with other Android Devices

The book also covers all aspects of the standard communication functions that are now commonplace on smartphones:

- Making and receiving calls
- Making video calls
- Sending text messages
- Adding contacts
- Sending emails
- Browsing the web

Android phones are excellent for a range of mobile entertainment, and the book shows how to listen to music, watch videos and read books. It also deals with taking and viewing photos so that you can use your Android phone as a replacement for a digital camera. Due to the range of versions of Android and models of phones, Android phones can sometimes appear a bit of a maze. However, Android Phones for Seniors in easy steps, 2nd edition provides a clear guide to
