From, Lauren Rowe, the USA Today and International bestselling author of The Club Series and Ball Peen Hammer comes a sexy standalone romance: Captain. And now, three months later, through a mind-blowing series of events I couldn't have predicted in a million years, it turns out my boss is marrying his sister in Hawaii and I've got to play nice with him for an entire freaking week. Okay, sure, I'll put on a happy face this week and act like I've never even met the jerk before--did I mention his sister is marrying my boss?--but that doesn't mean I'll like it. And it

age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way

into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all

odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring

With its sophisticated world-building and characterization, A QUEST OF HEROES is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, A MARCH OF KINGS, is now

A dark lord will rise. Such is the prophecy that dogs Ringil Eskiath—Gil, for short—a washed-up mercenary and onetime war hero whose cynicism is surpassed only by the speed of his sword. Gil is estranged from his aristocratic family, but when his mother enlists his help in freeing a cousin sold into slavery, Gil sets out to track her down. But it soon becomes apparent

that more is at stake than the fate of one young woman. Grim sorceries are awakening in the land. Some speak in whispers of the return of the Aldrain, a race of widely feared, cruel yet beautiful demons. Now Gil and two old comrades are all that stand in the way of a prophecy whose fulfillment will drown an entire world in blood. But with heroes like these, the cure is likely to be worse than the disease.

The Josh & Kat Trilogy (a bundle containing Infatuation, Revelation, and Consummation) is the sensual, laugh-out-loud

funny, thrilling "origin story" of Josh Faraday and Kat Morgan, two of the most beloved characters in the Lauren Rowe universe. It's a war of wills between stubborn and sexy Josh Faraday and Kat Morgan. A fight to the bed. Arrogant, wealthy playboy Josh is used to getting what he wants. And what he wants is Kat Morgan. The minute Josh Faraday meets feisty, vivacious Kat Morgan, he wants her. Not for a relationship, of course. He doesn't do those. He wants her in his bed. But to his shock and extreme frustration, Kat won't play by Josh's rules like all the

others. No, this stubborn woman declares she won't so much as kiss Josh until he divulges some highly personal information.... But it's something Josh has never told anyone, and won't be telling Kat. Not over his dead body, no matter how gorgeous and sexy she is. But the chemistry between the pair is explosive, scorching hot electricity like nothing he's felt before. Oh, God, he's got to get a taste. He figures all he has to do is wear the sexy woman down with his patented "playboy razzle dazzle" - show her the hotness she's missing out on and she'll cave, like all

the rest.... The only problem with that strategy? It's Kat's strategy, too: she plans to wear Josh down and get what she wants, too. It's a war of wills. A match to the bed. Who will crack first? And when they do, will either of their hearts be on the line? The entire trilogy is bundled together here in one place. Find out why rabid fans of Lauren Rowe's white-hot, funny, heart-felt romances can't get enough!
