Hick by Andrea Portes - PopMatters

First time novelist Andrea Portes brings us an Oprah-esque heroine in Hick, a bildungsroman about an unloved, neglected, but tenacious teenager who experiences the dark underbelly of life after she runs away from home. Mired in poverty, soured by a hellish home life, and stuck in the middle of Nebraska, 13-year old Luli is ripe for trouble.

Hick - Paste

There would seem to be plenty to get excited about in Derick Martini ' s second feature film, Hick (based on the novel by Andrea Portes). If the plot is not especially enticing (a young girl from a hick town leaves home, travels West, and experiences the evils of the world), then the cast certainly garners attention.

Tired of going hungry while her parents get drunk and fight, thirteen-year-old Luli, who has just discovered the power of her sexuality, leaves Palmyra, Nebraska, for Las Vegas, Nevada, to find a "sugar daddy," and soon meets two grifters who use her while teaching her how to get by.

This fall, the film festival circuit will be introduced to the indomitable Luli McMullen in Hick, the new film made from the acclaimed novel by Andrea Portes, who also adapted the screenplay. The film—directed by Derick Martini—stars Chloë Grace Moretz, Blake Lively and Eddie Redmayne and features Rory Culkin, Anson Mount, Juliette Lewis and Alec Baldwin in supporting roles. Hick is the story of Luli (Moretz), a bright kid from a hick town who ' s had enough and strikes out on her own with some “ borrowed ” cash, a .45 and her wits. On the road, Luli is taken under the wing of a glamorous young grifter named Glenda (Lively), who has experienced worlds barely imaginable to Luli. As the two make their way across the American landscape, they encounter a captivating and dangerous young man named Eddie Kreezer (Redmayne), a disturbing criminal

subculture, and some hard truths about what it means to be a young woman on the run, grasping at a future. Hick the movie is produced by Lighthouse Entertainment and Taylor Lane Productions, with Stone River Productions serving as executive producer. Though its first-person narrating voice is fast-paced, powerful and unquestionably authentic, Hick is a debut novel. Beyond this voice, what makes the book so extraordinary is that, although all of the worst things imaginable do befall this 13-year-old girl, she is never defeated by them. Luli always fights back; she always resurfaces. Set as a coming-of-age novel, Hick tracks the real perils that modern teenagers so often face. And it does so with bright wit, energy, and an indomitable spirit. This is a book that will grab the reader from the first page and not let go. And it is written by a woman who is becoming a cultural force in the hippest parts of Los Angeles.

If twenty-five years can discover the internet, the cell phone, this thing called the iPod, can twenty-five years discover the secret of a girl murdered, abandoned, by the side of the road? That is the haunting premise of *Bury This*, an impressionistic literary thriller about the murder of a young girl in small-town Michigan in 1979. Beth Krause was by all intents a good little girl – member of the church choir, beloved daughter of doting parents, friend to the downtrodden. But dig a little deeper into any small town, and conflicts and jealousies begin to appear. And somewhere is that heady mix lies the answer to what really happened to Beth Krause. Her unsolved murder becomes the stuff of town legend, and twenty-five years later the case is reignited when a group of film students start making a documentary on Beth's fateful life. The town has never fully healed over the loss of Beth, and the new investigation calls into light several key characters: her father, a WWII vet; her mother, once the toast of Manhattan; her best friend, abandoned by her mother and left to fend for herself against an abusive father; and the detective, just a rookie when the case broke, haunted by his inability to bring Beth's murderer to justice. All of these passions will collide once the identity of Beth's murderer is revealed, proving once again that some secrets can never stay buried.

“ It's rare that a book can be as funny and absolutely delightful as it is moving and thought provoking, and *Anatomy of a Misfit* is both. ” —Lauren Oliver, author of *Before I Fall* Anika Dragomir is the third-most-popular girl at Pound High School. But inside, she knows she's a freak; she can't stop thinking about former loner Logan McDonough, who showed up on the first day of tenth grade hotter, bolder, and more mysterious than ever. Logan is fascinating, troubled, and off limits. The Pound High queen bee will make Anika's life hell if she's seen with him. So Anika must choose—ignore her feelings and keep her social status? Or follow her heart and risk becoming a pariah. Which will she pick? And what will she think of her choice when an unimaginable tragedy strikes, changing her forever? Part Morgan Matson, part Nicola Yoon, this incredible YA voice narrates a story *Teen Vogue* calls “ perfection in book form. ”

We Were Liars meets *Looking for Alaska* in a uniquely funny and heartbreaking teen novel about a passionate-yet-doomed friendship set against a backdrop of wealth and glamour. Willa Parker, 646th and least-popular resident of What Cheer, Iowa, is headed east to start a new life. Did she choose this life? No, because that would be too easy—and nothing in Willa's life is easy. It's her famous genius mother's idea to send her to ultra-expensive, ultra-exclusive Pembroke Prep, and Willa has no intention

Access Free Hick Andrea Portes

of fitting in. But when she meets peculiar, glittering Remy Taft, the richest, most mysterious girl on campus, she starts to see a foothold in this foreign world—a place where she could maybe, possibly, sort of fit in. When Willa looks at Remy, she sees a girl who has everything. But for Remy, having everything comes at a price. And as she spirals out of control, Willa can feel Remy spinning right out of her grasp. Andrea Portes, author of the hilarious, heartbreaking *Anatomy of a Misfit*, spins a similarly incandescent, heartfelt story that explores the meaning of friendship, new beginnings, and the precarious joy and devastating pain of finding home in a place—a person—with wings.

Nothing is as it seems in this chilling, twisting tale by bestselling author Andrea Portes, perfect for fans of Madeleine Roux and Danielle Vega. Rife with dark humor and chilling twists, *This Is Not a Ghost Story* is American Horror Story meets *There's Someone Inside Your House*. It will have readers flipping back to the very first page after the shocking finale. I am not welcome. Somehow I know that. Something doesn't want me here. Daffodil Franklin has plans for a quiet summer before her freshman year at college, and luckily, she's found the job that can give her just that: housesitting a mansion for a wealthy couple. But as the summer progresses and shadows lengthen, Daffodil comes to realize the house is more than it appears. The spacious home seems to close in on her, and as she takes the long road into town, she feels eyes on her the entire way, and something tugging her back. What Daffodil doesn't yet realize is that her job comes with a steep price. The house has a long-ago grudge it needs to settle . . . and Daffodil is the key to settling it.

The bestselling author of *Anatomy of Misfit* and *The Fall of Butterflies*, Andrea Portes, is back with another irresistible snarky heroine in *Liberty*. What is a hero? Paige Nolan knows. Edward Raynes, the young man who exposed America's unconstitutional spying techniques, is a hero, even if half the dum-dums in the country think he's a traitor. Or Paige's parents, journalists who were captured by terrorists while telling stories of the endangered and oppressed. They were heroes, too. Were. . . or are—no one has ever told Paige if they're still alive, or dead. Not heroes? Anyone in the government who abandoned her parents, letting them rot somewhere halfway across the world. And certainly not Paige herself, who despite her fluency in five languages and mastery of several obscure martial arts (thanks, Mom!) could do nothing to save them. Couldn't, that is, until she's approached by Madden Carter, an undercover operative who gives her a mission—fly to Russia, find Raynes, and discover what other government secrets he's stockpiled. In exchange, he'll reopen the case on her missing parents. She's given a code name and a cover as a foreign exchange student. Who is a hero? Not Paige Nolan, but maybe, just maybe, *Liberty* is.

The *Graveyard Book* meets *The Goonies* in this smart, spunky middle grade mystery from acclaimed author Andrea Portes! Prominent Environmentalist and Oceanographer Die in Boating Accident This is the headline that changes Henry and Eva's lives. Their parents, environmentalist William Billings and his oceanographer wife Margo, disappear mysteriously at sea. But for Henry and Eva, things are about to go from bad to worse. Their jerk-face uncle (nicknamed Claude the Clod) and his awful girlfriend (Terri the Terrible) have moved into their big house on the cliff to “take care of them,” but Eva has her doubts about

their intentions. And when some spooky visitors appear with a message, they realize that their parents' deaths might not have been as cut and dry as everyone thinks. It's up to Henry and Eva to discover the truth—but can they do it before the Clod catches them? Perfect for fans of Lemony Snicket, readers of this arch, spooky, timeless tale will find themselves enraptured with this fresh new middle grade series.

The book focuses on the integration of intelligent communication systems, control systems, and devices related to all aspects of engineering and sciences. It contains high-quality research papers presented at the 2nd international conference, ICICCD 2017, organized by the Department of Electronics, Instrumentation and Control Engineering of University of Petroleum and Energy Studies, Dehradun on 15 and 16 April, 2017. The volume broadly covers recent advances of intelligent communication, intelligent control and intelligent devices. The work presented in this book is original research work, findings and practical development experiences of researchers, academicians, scientists and industrial practitioners.

The shocking first true account from one of the young girls who lived through and survived the Rotherham sex abuse scandal.
