A time to reflect on my seventy years of life. Maybe some folks will be interested in my life and the folks I have met, or maybe not. This is a non-traditional memoir, filled with alphabetical vignettes not chronological ones. I have made a foray into fiction with an asterisk: in those cases where I have marked the vignette as fictional, it might be 100 percent not true, but in many cases I knew of, was part of, or heard from others about the story itself. At any rate, the entire book is my recollection of things past, and as in all recollections, the more distant the memory the clearer the details.

Rattigan's well-loved play about an unpopular schoolmaster who snatches a last shred of dignity from the collapse of his career and his marriage. Twice filmed (with Michael Redgrave and Albert Finney) and frequently revived. Andrew Crocker-Harris' wife Millie has become embittered and fatigued by her husband's lack of passion and ambition. On the verge of retirement, and divorce, Andrew is forced to come to terms with the platitude his life has become. Then John Taplow, a previously unnoticed pupil, gives Andrew an unexpected parting gift: a second-hand copy of Robert Browning's translation of Agamemnon - a gift which offers not only a opportunity for redemption, but the chance to gain back some dignity. This volume also contains Harlequinade, a farce about a touring theatre troupe, written to accompany The Browning Version in a double-bill under the joint title, Playbill. 'Few dramatists of this century have written with more understanding of the human heart than Terence Rattigan' Michael Billington This edition includes an authoritative introduction, biographical sketch and chronology.

A Spectacular Enhancement to the Skill System Mythic Skills introduces a system of skill exploits that take the basic tasks your skills allow you to perform and dials them up to amazing levels. In addition, every skill in the Pathfinder Roleplaying Game Core Rulebook also gets brand-new skill exploits, as well as greater exploits that only the most skilled masters would even attempt. This book contains rules for

using these enhanced skills with mythic characters but also provides an alternative system for use in non-mythic Pathfinder campaigns! This system allows your characters to focus on their skills as a key part of their character construction and to invest more of their character's abilities in their character itself, rather than the character's gear or magical tools. You can use these rules generally with mythic characters, allowing them to attempt all manner of skill-based exploits, or you can limit the ability to pull off these amazing skill stunts to those mythic characters that have really invested in making their skills a key part of their character's identity. The mythic rules offer an opportunity to magnify what makes a character special, and the skills they choose to hone as part of their background narrative and throughout the course of the campaign should be just as important in defining them as their marvelous magic and fabulous feats. With Mythic Skills in your hands, your skills will be just as spectacular!"
