Exodus in the Jewish Experience: Echoes and Reverberations investigates how the Exodus has been, and continues to be, a crucial source of identity for both Jews and Judaism. It explores how the Exodus has functioned as the primary hermeneutical model from which Jews have created theological meaning and historical self-understanding.

A comprehensive, detailed survey of Jewish politics, religion, economics, and society and of Jewish life and achievement, from the second millennium B.C. through the Diaspora, and in the state of Israel

Sorin argues that, from colonial times to the present, "acculturation" and not "assimilation" has best described the experience of Jewish Americans.

Populated by urbane Jewish merchants and professionals as well as new arrivals from the shtetl, imperial Kiev was acclaimed for its opportunities for education, culture, employment, and entrepreneurship but cursed for the often pitiless persecution of its Jews. Kiev, Jewish Metropolis limns the history of Kiev Jewry from the official readmission of Jews to the city in 1859 to the outbreak of World War I. It explores the Jewish community's politics, its leadership struggles, socioeconomic and demographic shifts, religious and cultural sensibilities, and relations with the city's Christian population. Drawing on archival documents, the local press,

memoirs, and belles lettres, Natan M. Meir shows Kiev's Jews at work, at leisure, in the synagogue, and engaged in the activities of myriad Jewish organizations and philanthropies.

"A Major Collection of Scholarship that Contains the most up-to-Date, Indeed Cutting-Edge Work on Gender and Jewish History by Several Generations of Top Scholars."---Atina Grossmann, the Cooper Union By Revealing the Importance of gender in interpreting the Jewish past, this collection of original essays highlights the profound influence that feminist scholarship has had on the study of Jewish history since the 1970s. Gender and Jewish History considers the impact of gender on Jewish religious practices and political behavior, educational accomplishments and communal structures, acculturation and choice of occupations. The book stimulates conversations on such topics as Jewish women's creativity and spirituality, violence against women, Jews' reactions to persecution in the Holocaust, and Judaism as lived religion and culture. Honoring Paula E. Hyman, one of the founders of Jewish gender studies, this volume shows gender to be an eye-opening entry into realms of Jewish history previously untouched by it.

From the original legends of the Bible to the peace accords of today's newspapers, this engaging, one-volume history of the Jews will fascinate and inform. 30 illustrations.
