Because God's gifts cannot be enjoyed without obedience to him as the Giver. In sin, Adam and Eve would seek to find love with each other in the absence of love for God, and in God's creation this simply cannot work." - Richard D. Phillips, *Holding Hands, Holding Hearts: Recovering a Biblical View of Christian Dating*.

Holding Hands, Holding Hearts Quotes by Richard D. Phillips

Nothing—and everything! According to the Bible's perspective, if you are dating you are not just holding hands—you are holding hearts. What you do with your own heart, and what you do with another's, is a matter of great importance! This book offers a biblical view of relationships and doesn't shy away from discussing attraction, first dates, commitment and more elements that need to come together to make a successful relationship.

What does the Bible say about dating? Nothing. And everything! This book offers a biblical view of relationships and provides insight on issues of commitment, attraction, and more. The challenge before us is to think biblically about an activity that isn't in the Bible and that may expose us to worldly attitudes and behaviors. When you date someone, you're more than just holding another's hands; you're holding that person's heart. We hope to show in this book that the Bible presents profound instruction and wisdom that may be directly applied to dating and that will help us to be blessed in dating relationships. - Publisher.

Considering the pervasive immorality and high divorce rate of our contemporary Christian culture, we evidently need a biblically based, theologically compelling, practical understanding of sex, dating, and relationships. Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm-shifting view of purity and relationships—a view that challenges even the basic assumptions of evangelical subculture. Unlike most books on dating, this one cuts straight to the heart of dating relationships, asserting with confidence that the line must be drawn at “no sexual activity” whatever. Few have dared to define and apply the Bible’s understanding of purity in premarital relationships to this degree, but Hiestand and Thomas have done it. Furthermore, both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner. Sex, Dating, and Relationships adds a new, almost provocative voice to the conversation that, with straightforward theological insight, pleads with Christians to get serious about honoring Christ with their sexuality.

In this book, Richard D. Phillips cuts through the cultural confusion, highlights God's mandate for men, and encourages readers to join him on a journey of repentance and renewal. Phillips begins in the Garden of Eden, drawing foundational teaching for men from the earliest chapters of God's Word. This is teaching that reaches into all of life. Christian men today need to examine their hearts and embrace their God-given mandate. Only then will they be able to recognize their high calling, and by God's grace, serve faithfully in whatever context God has placed them.

In this groundbreaking book, a leading clinical psychiatrist redefines how we think about and treat victims of trauma. A "stunning achievement" that remains a "classic for our generation." (Bessel van der Kolk, M.D., author of *The Body Keeps the Score*). Trauma and Recovery is revered as the seminal text on understanding trauma survivors. By placing individual experience in a broader political frame, Harvard psychiatrist Judith Herman argues that psychological trauma is inseparable from its social and political context. Drawing on her own research on incest, as well as a vast literature on combat veterans and victims of political terror, she shows surprising parallels between private horrors like child abuse and public horrors like war. Hailed by the New York Times as "one of the most important psychiatry works to be published since Freud," Trauma and Recovery is essential reading for anyone who seeks to understand how we heal and are healed.

Specifically, it is about the present evil age that we live in right now. For many Christians, the expression these last days refers to the time right before the second coming of Christ—but according to the apostles, the last days started with the first coming of Christ and continue even today.

Adding honor as a factor in raising kids ...and parent-child relationships. Dr. Scott Turansky and Joanne Miller offer a thorough program for establishing honor as a basis of family life – not just children honoring parents, but parents respecting children and children honoring each other. Even if honor seems a long way off in your household, you will find practical suggestions here to bring that goal a little closer – suggestions for kids of all ages. Honor is the biblical value that will bring about good behavior. It's more than just changing what kids do; it's changing the deeper issues of the heart that triggered the behavior.

Appeals to 'human dignity' are at the core of many of the most contentious social and political issues of our time. But these appeals suggest different and at times even contradictory ways of understanding the term. Is dignity something we all share equally therefore the reason we all ought to be treated as equals? Or is dignity what distinguishes some greater and more admirable human beings from the rest? What notion of human dignity should inform our private judgments and our public life? In *Neither Beast Nor God*, Gilbert Meilaender elaborates the philosophical, social, theological, and political implications of the question of dignity, and suggests a path through the thicket. A noted theologian and a prominent voice in America's

bioethics debates, Meilaender traces the ways in which notions of dignity shape societies, families, and individual lives. He incisively cuts through some of the common confusions that cloud our thinking on key moral and ethical questions. The dignity of humanity and the dignity of the person, he argues, are distinct but deeply connected - and only by grasping them both can we find our way to a meaningful understanding of the human condition.

Respected relationship experts explore 5 different styles of dating. Discover which approach works best for you.

Examines the life, trials, failures, and successes of Israel's King David and argues that the leadership qualities that enabled him to be the successful executive he was are still valid today

The extraordinary #1 New York Times bestseller about the ability of books to feed the soul even in the darkest of times. Nominated as one of America's best-loved novels by PBS's The Great American Read. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist-books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." -The New York Times "Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank." -USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.
