No other book in the Bible compares with the wonder of the sacred collection of inspired worship songs known as the Psalms. Considered by many to be the most loved portion of Scripture, the Psalms have been a bedrock of comfort and a tower of strength for believers in every experience of life. This is the second of two volumes in the Holman Old Testament Commentary given to the Psalms, that provide commentary on Psalms chapters 76-150. Some of the key Psalms receive an added in-depth treatment that includes exposition, illustrations, and teaching plans. - <http://www.christianbook.com/>
