The Bluest Eye by Toni Morrison York:Holt Rinehart Winston [1970] First Edition. Neat name of a collector on front pastedown, else fine in a fine bright dust wrapper with a little insignificant age-toning,seeming endemic to this title but in this case much less than usual,and a faint crease on front flap.

Holt, Rinehart and Winston (HRW) was created in March 1960 by the merger of Henry Holt and Company of New York City (established 1866); Rinehart & Company of New York, descendant of Farrar & Rinehart (est. 1929); and the John C. As Sidney J. Prettymon tells it, his life in and around San Francisco is based on a simple philosophy: "Play all the possibilities and stagger your bets". Sit, as he's called, is a natural born ladies' man, ne'er-do-well, ex-husband, father, raconteur and a man with strong opinions about most things. His experiences encompass part-time jobs, television stardom, run-ins with the law ("Jail is dull, don't care what anybody say"), a colorful variety of friends, and complex relationships with a number of women, his former wife and grown-up kids. In Sitting Pretty, Al Young has devised a character for the ages: a funny, original and altogether human being whose predicament is as universal as middle age.

Program combines traditional print and cutting-edge technology resources to provide students with the latest developments and current scientific thought in Biology.
