Among its many gems of advice, this book shows how to cook with acetylene, take revenge on a lawn mower, measure a hat size with a two-by-four, reduce carbon footprint (it involves moving into a fruit tree located next to a liquor store), and make alternative fuel (which involves an empty propane tank and a full septic one).

How to Do Things with Books in Victorian Britain asks how our culture came to frown on using books for any purpose other than reading. When did the coffee-table book become an object of scorn? Why did law courts forbid witnesses to kiss the Bible? What made Victorian cartoonists mock commuters who hid behind the newspaper, ladies who matched their books' binding to their dress, and servants who reduced newspapers to fish 'n' chips wrap? Shedding new light on novels by Thackeray, Dickens, the Brontës, Trollope, and Collins, as well as the urban sociology of Henry Mayhew, Leah Price also uncovers the lives and afterlives of anonymous religious tracts and household manuals. From knickknacks to wastepaper, books mattered to the Victorians in ways that cannot be explained by their printed content alone. And whether displayed, defaced, exchanged, or discarded, printed matter participated, and still participates,

in a range of transactions that stretches far beyond reading. Supplementing close readings with a sensitive reconstruction of how Victorians thought and felt about books, Price offers a new model for integrating literary theory with cultural history. *How to Do Things with Books in Victorian Britain* reshapes our understanding of the interplay between words and objects in the nineteenth century and beyond.

You can ' t take it with you, but you can ensure that what you leave behind has value and meaning. Whether you want the fruits of your life ' s work to benefit your family, the environment, science, human rights, the arts, your church, or another cause dear to you, one thing is certain: It won ' t happen unless you plan. *What to Do with Everything You Own to Leave the Legacy You Want* is a step-by-step, DIY guide to turning your money and " stuff " into something meaningful that will outlast you—whether you are in the prime of life or your later years, single or partnered, have kids or not, are well-off or of modest means. With her trademark practical wisdom, downsizing expert Marni Jameson offers plenty of comfort (and even some laughs) as she guides you through the following: Identifying whom you want to benefit from your legacy Navigating wills, trusts, and other paths to your goals Heading off potential family conflicts Making the best plan for your material assets This book will encourage and inspire you through every step of your final downsizing project, helping you make a positive impact on the people and causes closest to your heart.

The essential playbook for the future of your business
What To Do When Machines Do Everything is a guidebook to succeeding in the next generation of the digital economy. When systems running on Artificial Intelligence can drive our cars, diagnose medical patients, and manage our finances more effectively than humans it raises profound questions on the future of work and how companies compete. Illustrated with real-world cases, data, and insight, the authors provide clear strategic guidance and actionable steps to help you and your organization move ahead in a

world where exponentially developing new technologies are changing how value is created. Written by a team of business and technology expert practitioners—who also authored *Code Halos: How the Digital Lives of People, Things, and Organizations are Changing the Rules of Business*—this book provides a clear path to the future of your work. The first part of the book examines the once in a generation upheaval most every organization will soon face as systems of intelligence go mainstream. The authors argue that contrary to the doom and gloom that surrounds much of IT and business at the moment, we are in fact on the cusp of the biggest wave of opportunity creation since the Industrial Revolution. Next, the authors detail a clear-cut business model to help leaders take part in this coming boom; the AHEAD model outlines five strategic initiatives—Automate, Halos, Enhance, Abundance, and Discovery—that are central to competing in the next phase of global business by driving new levels of efficiency, customer intimacy and innovation. Business leaders today have two options: be swallowed up by the ongoing technological evolution, or ride the crest of the wave to new profits and better business. This book shows you how to avoid your own extinction event, and will help you; Understand the untold full extent of technology's impact on the way we work and live. Find out where we're headed, and how soon the future will arrive Leverage the new emerging paradigm into a sustainable business advantage Adopt a strategic model for winning in the new economy The digital world is already transforming how we work, live, and shop, how we are governed and entertained, and how we manage our money, health, security, and relationships. Don't let your business—or your career—get left behind. What To Do When Machines Do Everything is your strategic roadmap to a future full of possibility and success. Or peril.

The flood of information, unprecedented transparency, increasing interconnectedness-and our global interdependence-are dramatically reshaping today's world, the world of business, and our lives. We are in the Era of Behavior and the rules of the game have fundamentally changed. It is no longer what you do that matters most and sets you apart from others, but how you do what you do. Whats are commodities, easily duplicated or reverse-engineered. Sustainable advantage and enduring success for organizations and the people who work for them now lie in the realm of how, the new frontier of conduct. For almost two decades, Dov Seidman's pioneering organization, LRN, has helped some of the world's most respected companies

build "do it right," winning cultures and inspire principled performance throughout their organizations. Seidman's distinct vision of the world, business, and human endeavor has helped enable more than 15 million people do-ing business in more than 120 countries to outbehave the competition. In HOW: Why HOW We Do Anything Means Everything, Dov Seidman shares his unique approach with you. Now updated and expanded, HOW includes a new Fore-word from President Bill Clinton and a new Preface from Dov Seidman on why how we behave, lead, govern, operate, consume, engender trust in our relationships, and relate to others matters more than ever and in ways it never has before. Through entertaining anecdotes, surprising case studies, cutting-edge research in a wide range of fields, and reveal-ing interviews with a diverse group of leaders, business executives, experts, and everyday people on the front lines, this book explores how we think, how we behave, how we lead, and how we govern our institutions and ourselves to uncover the values-inspired "hows" of twenty-first-century success and significance. Divided into four comprehensive parts, this insightful book: Exposes the forces and factors that have fundamentally restructured the world in which organizations operate and their people conduct themselves, placing a new focus on their hows Provides frameworks to help you understand those hows and implement them in powerful and productive ways Helps you channel your actions and decisions in order to thrive uniquely within today's new realities Sheds light on the systems of how-the dynamics between people that shape organizational culture-andintroduces a bold new vision for leading and winning through self-governance The qualities that many once thought of as "soft"-values, trust, and reputation-are now the hard currency of success and the ultimate drivers of efficiency, performance, innova-tion, and
