While you can make some upgrades to your laptop to make it run faster, there are some improvements you can make that are more cost-effective and straightforward to do. These minor adjustments may not seem like they will speed up your computer performance, but combined they can make it possible to keep your PC functional for a number of years.

How to Make an Old-Fashioned Hard Candy - YouTube

Olivier Lagalisse takes the dog owner through the aging process a dog undergoes, clearly outlining the signs of age and the most common ailments that older dogs are subject to. There is accessible and simple advice on how to prepare your dog for a happy old age. This book contains everything the dog owner needs to know, from lists of useful addresses such as breeding societies and clubs, pet cemeteries and welfare organisations. An owner can help a dog to live longer, as well as enhancing their sense of well-being, through alternative therapies, such as aromatherapy and acupuncture. The author also discusses simple hygiene routines, and emergency first aid.

A complete history of one of the world's most iconic cocktails--now the poster child of the modern cocktail revival--with fifty recipes for classic variations as well as contemporary updates. No single cocktail is as iconic, as beloved, or as discussed and fought-over as the Old-Fashioned. Its formula is simple: just whiskey, bitters, sugar, and ice. But how you combine those ingredients—in what proportion, using which brands, and with what kind of garnish—is the subject of much impassioned debate. The Old-Fashioned is the spirited, delightfully unexpected story of this renowned and essential drink: its birth as the ur-cocktail in the nineteenth century, darker days in the throes of Prohibition, re-ascension in the 1950s and 1960s (as portrayed and re-popularized by Don Draper on Mad Men), and renaissance as the star of the contemporary craft cocktail movement. Also featured are more than forty cocktail recipes, including classic variations, regional twists, and contemporary updates from top bartenders around the country. All are accessible, delicious, and elegant in their simplicity, demonstrating the versatility and timelessness of the Old-Fashioned formula. With its rich history, stunning photography, and impeccable recipes, The Old-Fashioned is a celebration of one of America's greatest bibulous achievements. It is a necessary addition to any true whiskey- or cocktail-lover's bookshelf, and destined to become a classic on par with its namesake beverage.

A must-have for all aspiring home mixologists and pop-culture buffs. Cocktail Chemistry will ensure you never have a boring drink again.

Written by educators from five continents, this book offers fresh perspectives on teaching the old Testament today, and addresses problems of Curriculum, context, and communication.

'Retro' is not only a pervading phenomenon in today's Western culture but has informed cultural history for some centuries and thus gives monumentousness to the subject of the present volume, namely literary texts and musical compositions which, for various reasons and with multiple functions, 'make it old'.
