This volume offers a definitive source for understanding social influences in L2 pronunciation, demonstrating the importance of empirical findings from a number of research perspectives, and outlining the directions that future work can take. The aim is to present a coherent argument for the significance of social factors and how they contribute to phonological acquisition.

Here's the bestselling guide on SharePoint 2010, updated to cover Office 365 SharePoint Portal Server is an essential part of the enterprise infrastructure for many businesses. The Office 365 version includes significantly enhanced cloud capabilities. This second edition of the bestselling guide to SharePoint covers getting a SharePoint site up and running, branded, populated with content,

and more. It explains ongoing site management and offers plenty of advice for administrators who want to leverage SharePoint and Office 365 in various ways. Many businesses today rely on SharePoint Portal Server to aggregate SharePoint sites, information, and applications into a single portal. This updated edition covers the enhanced cloud capacities of Office 365 and Microsoft SharePoint Online. Shows how to use SharePoint to leverage data centers and collaborate with both internal and external customers, including partners and clients. Covers getting a site up and running, populating it with content, branding it, and managing the site long term. Administrators and small-business website managers will find *SharePoint 2010 For Dummies, 2nd Edition* gives them the information they need to make the most of this technology.
