And The author met most people's distress about work, finance, and Love from life problems, mainly due to character, discipline, and values, the understanding of life that adheres to a long time of life from different habits and emotions because different perceptions or learnings affect life and achievements. The authors are very interested in the evolution of human life. There are many sources of knowledge in many senses, along with research from Thai and foreign books from various knowers. The author has put all the information together and put it together as a tool to change your life. To create a new life concept By fixing the root cause that is essential to changing lives. Because people's habits play a crucial role in changing lives. and various achievements, including all life problems that arise. Some people do the same thing but fail. But another person did the same job and became rich incredibly quickly. When considered to the success of human beings is due to the habits and disciplines of people. That is thing important Everyone has a different personality because they have their birthplace, social environment. In addition, the origins of life are different: Some people are born into wealthy families. On the other hand, some people are in a problematic family and have a different family and social environment. Therefore, living in different personalities and affects everyone's success. Indeed, the secret formula of success lies in the transformation of the original habits that are stored as information and recorded as individual beliefs. There are profound features that engrave our psyche stored and recorded in the subconscious. That is difficult for those who do not want to change. Therefore, most human beings are often unsuccessful in life. The cause does not change life from research because habits that can change must be open to new things and practice new habits to cultivate deep into the person's subconscious mind. That person will develop the character of a successful person. This book was created to be a life-changing tool and including a secret formula by adopting the NLP system, which is to poke yourself with the 21-day rule into a life-changing program in a simple way in a short time. Best wishes. Amornrat Boonyarit : Ami Lawyer

Hypnosis is a proven technique that allows people to reprogram their subconscious to change unwanted behaviors. Most books on self-hypnosis require the reader to memorize or record scripts, then put the book aside while they do their hypnosis work. But Instant Self-Hypnosis is the only self-hypnosis book that allows you to hypnotize yourself as you read, with your eyes wide open, without putting down the book. The author's fail-proof method allows you to put yourself into a hypnotic state and then use that state to improve your life in myriad ways. And because the hypnotic state is induced while you read, you remain aware of your surroundings and can bring yourself back to normal consciousness slowly and gently, using the instructions provided.
