The Arizona Department of Transportation Motor Vehicle Division (ADOT MVD) is pleased to provide this guide to Arizona traffic laws and information for obtaining a driver license or identification card. This manual also provides essential safety information for both new and experienced Arizona drivers. ADOT MVD delivers services to millions of Arizona motorists each year. In line with the Division's vision of getting Arizona "out of the line and safely on the road" we are continuously improving processes to provide swift and efficient service. In addition to coming into an office, ADOT MVD offers alternative methods for Arizonans to access services. For example, through ServiceArizona.com, customers are able to complete more than 20 motor vehicle transactions, such as renewing your vehicle registration, requesting a replacement driver license, updating your address, and purchasing a personalized or specialty license plate. We also encourage Arizona drivers to take advantage of the more than 160 privately operated Authorized Third Party locations to serve you across the state. Several of these locations offer both Title and Registration and driver license transactions!

Throughout her life, Melissa Williams has hoped for a relationship with someone who can appreciate her for who she is and for the love that she is ready to give. When a friend from her hometown asks for her hand in marriage, she's ready to take this next step with him until she realizes that her heart is yearning for someone else. Little does she know, thousands of miles away in West Africa, Orpheus Frank follows his mother's advice to leave Liberia to find his Queen in America. In this Final Torn, two countries will come together in a love story that will face good and bad times. Will Melissa and Orpheus rekindle their connection that was started a year ago on Miami Beach or will the forces behind the scenes be strong enough to send him back to Africa with a broken heart? As this story unfolds, Melissa comes into her own when she surrenders her mind and body to receive love from a younger man, who is ready to love. The Final Torn: One Night with the King is the fourth and final book for the Torn Series, which is a collection of books based on true events. This journey began when Melissa was a teenager in search of love, only to forge her happiness when her marriage ended after 15 years. Once she became a single woman, Melissa began to explore other possibilities that sent her to a place where she could only be rescued by God. Because of her faith, Melissa turns to the church for her healing and is shocked when she learns that the man of God that she trusted used her as a pawn in his scam that almost took Melissa's life. In this final journey of the Torn Series, Melissa tests her faith in God when she made a final attempt at real love. What will it cost her this time? Packed with passion, suspense, love and romance, Melissa risks it all, but is it all worth the risks? The book titles are as follows: Torn: The Melissa Williams Story, Torn 2: Passion, Pain & Promise, Torn 3: Surviving the Human Snake P it and The Final Torn: One Night with the King.
