From the creator of the beloved and universally acclaimed television series *BoJack Horseman*, a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. “Complex,

daring, emotional, and unique, with notes of melancholic brilliance and an aftertaste of subtle elation: it is hard to describe the writing of Raphael Bob-Waksberg without sounding like Frasier discussing wine." —B. J. Novak, author of *One More Thing Written with all the scathing dark humor that is a hallmark of BoJack Horseman*, Raphael Bob-Waksberg's stories will make you laugh, weep, and shiver in uncomfortably delicious recognition. In "A Most Blessed and Auspicious Occasion," a young couple engaged to be married is forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding. "Missed Connection—m4w" is the tragicomic tale of a pair of lonely commuters eternally failing to make that longed-for contact. And in "More of the You That You Already Are," a struggling employee at a theme park of dead presidents finds that love can't be genetically modified. Equally at home with the surreal and the painfully relatable (and both at once), Bob-Waksberg delivers a killer combination of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.

A beautifully emotional and unforgettably steamy new contemporary romance from New York Times and USA Today bestseller Roni Loren. Everyone knows Miz Poppy, the vibrant reviewer whose commentary brightens the New Orleans nightlife. But no one knows Hollyn Tate, the real face behind the media star...or the anxiety that keeps her isolated. All her life, Hollyn's tried to hide her true self behind an online façade, but when her boss tells her she needs to reveal the truth to the world or lose her job, she's forced to rely on an unexpected source to help face her fears. Enter Jasper Deares: actor, newly minted fake boyfriend, and way, way out of her league. Hollyn thinks Jasper must be joking when he offers private lessons to help overcome her fears. Getting up on a stage? Hello, worst nightmare. But Jasper's infectious charm has her saying yes despite herself. They're only supposed to be playing a few improv games, but as the lessons run longer and the lines grow blurrier, Hollyn can't help but wonder if she's acting at all...or if a relationship with Jasper might help give her the confidence she needs to say yes to every imperfect part of herself. "Will leave readers breathless... A must-read."—Publishers Weekly STARRED Review for *The One You Fight For*
