As seen and experienced by one inquisitive young girl, the many sights and sounds of a ferryboat ride are captured as she travels with her family to her summer home on the island. Reprint.

“ A damn good read. ” —Alan Furst A brilliant debut novel, at once teasing literary thriller and a darkly comic blend of history and invention, *The Torqued Man* is set in wartime Berlin and propelled by two very different but equally mesmerizing voices: a German spy handler and his Irish secret agent, neither of whom are quite what they seem. Berlin—September, 1945. Two manuscripts are found in

Online Library I Spy On A Ferry What Can You Spot Collins Michelin I Spy Guides

rubble, each one narrating conflicting versions of the life of an Irish spy during the war. One of them is the journal of a German military intelligence officer and an anti-Nazi cowed into silence named Adrian de Groot, charting his relationship with his agent, friend, and sometimes lover, an Irishman named Frank Pike. In De Groot ' s narrative, Pike is a charismatic IRA fighter sprung from prison in Spain to assist with the planned German invasion of Britain, but who never gets the chance to consummate his deal with the devil. Meanwhile, the other manuscript gives a very different account of the Irishman ' s doings in the Reich. Assuming the alter ego of the Celtic hero Finn McCool, Pike appears here as the ultimate Allied saboteur. His mission: an assassination campaign of high-ranking Nazi doctors, culminating in the killing of Hitler ' s personal physician. The two manuscripts spiral around each other, leaving only the reader to know the full truth of Pike and De Groot ' s relationship, their ultimate loyalties, and their efforts to resist the fascist reality in which they are caught.

A “ compulsively readable ” account of the fugitive who betrayed John Brown after the bloody abolitionist raid on Harper ' s Ferry (Booklist, starred review). John Brown ' s Spy tells the nearly unknown story of John E. Cook, the person John Brown trusted most with the details of his plans to capture the Harper ' s Ferry armory in 1859. Cook was a poet, a marksman, a boaster, a dandy, a fighter, and a womanizer—as well as a spy. In a life of only thirty years, he studied law in Connecticut, fought border ruffians in Kansas, served as an abolitionist mole in Virginia, took white hostages during the Harper ' s Ferry raid, and almost escaped to freedom. For ten days after the infamous raid, he was the most hunted man in America with a staggering one-thousand dollar bounty on his head. Tracking down the

Online Library I Spy On A Ferry What Can You Spot Collins Michelin I Spy Guides

unexplored circumstances of John Cook ' s life and disastrous end, Steven Labet is the first to uncover the full extent of Cook ' s contributions to Brown ' s scheme. Without Cook ' s participation, the author contends, Brown might never have been able to launch the insurrection that foreshadowed the Civil War. Had Cook remained true to the cause, history would have remembered him as a hero. Instead, when Cook was captured and brought to trial, he betrayed John Brown and named fellow abolitionists in a full confession that earned him a place in history ' s tragic pantheon of disgraced turncoats. " Labet is especially effective at capturing the courtroom drama . . . A crisply told tale fleshing out one of American history ' s more intriguing footnotes. " —Kirkus Reviews " Take[s] readers on a ride through the frantic days surrounding Brown ' s raid that will make them ' feel ' the moment as much as understand it. " —Library Journal (starred review)

In this second installment of the Family Spies series, set in the bestselling world of Valdemar, the children of Heralds Mags and Amily must follow in their parents' footsteps to protect the realm. Mags, Herald Spy of Valdemar, and his wife, Amily, the King ' s Own Herald, are happily married with three kids. Their daughter, Abidela, dreams of building on her parents' legacy by joining her father's network of spies, hoping to offset her seeming lack of a Gift. But when Abi senses the imminent collapse of a bridge only moments before it happens, she saves countless lives, including that of her best friend, Princess Katiana. The experience, though harrowing, uncovers her unique Gift—an ability to sense the physical strains in objects. Intrigued by the potential of her Gift, the Artificers seek to claim her as their own—but only the Healers can train her. Through training with both of them, Abi discovers unique facets of her Gift, including a

Online Library I Spy On A Ferry What Can You Spot Collins Michelin I Spy Guides

synesthetic connection to objects that allows her to “ see ” as well as feel the strains. Her Gift may also grant her a distinct advantage as a spy—there won ’ t be a building in the entire kingdom of Valdemar with a secret room that she doesn ’ t know about. With the help of her mentors, she must hone her gift to uncover the hidden secrets in the depths of Valdemar.

Josh and Maddy must go on a quest to find out how to fix the Veil of Magic, and protect and strengthen the magical world ’ s inhabitants for all time.

Through generations of a Kentucky bourbon family, this novel of sisterhood, secrets, regret and absolution “ is rich with drama and family intrigue ” (Publishers Weekly). For the Butler family of Glass Ferry, Kentucky, bourbon has been a way of life for generations. Beauregard “ Honey Bee ” Butler, was known for making some of the best whiskey in the state. Only one person was entrusted with Honey Bee ’ s secret recipes before he passed on: his daughter Flannery. But Flannery is harboring other secrets too—about her twin sister Patsy, older by eight minutes and pretty in a way Flannery knows she ’ ll never be. Then, on prom night, Patsy disappears along with her date. Every succeeding year on the twins ’ birthday, Flannery ’ s mother bakes a strawberry cake, convinced that Patsy will finally come home. But it will be two tumultuous decades until the muddy river yields a clue about what happened that night, compelling Flannery to confront the truth about her sleepy town, her family ’ s past, and the choices she and those closest to her have made in the name of love.
