Garnering international prizes and acclaim before its publication, Ilustrado has been called "brilliantly conceived and stylishly executed . . .It is also ceaselessly entertaining, frequently raunchy, and effervescent with humor" (2008 Man Asian Literary Prize panel of judges). It begins with a body. On a clear day in winter, the battered corpse of Crispin Salvador is pulled from the Hudson River—taken from the world is the controversial lion of Philippine literature. Gone, too, is the only manuscript of his final book, a work meant to rescue him from obscurity by exposing the crimes of the Filipino ruling families. Miguel, his student and only remaining friend, sets out for Manila to investigate. To understand the death, Miguel scours the life, piecing together Salvador's story through his poetry, interviews, novels, polemics, and memoirs. The result is a rich and dramatic family saga of four generations, tracing 150 years of Philippine history forged under the Spanish, the Americans, and the Filipinos themselves. Finally, we are surprised to learn that this story belongs to young Miguel as much as to his lost mentor, and we are treated to an unhindered view of a society caught between reckless decay and hopeful progress. Exuberant and wise, wildly funny and deeply moving, Ilustrado explores the hidden truths that haunt every family. It is a daring and inventive debut by a new writer of astonishing talent.

'A dazzling and virtuosic adventure' Joseph O'Connor, author of Star of the Sea Internationally Bestselling Winner of the Man Asian Literary Prize 2008 'With Ilustrado, Miguel Syjuco obliges us to remake the canons of our great classics of contemporary literature. Ilustrado is, literally, a masterpiece' Alberto Manguel It begins with a body. One anonymous winter day, the corpse of Crispin Salvador is pulled from the Hudson River. Gone is the controversial giant of Asian literature. And missing is the only manuscript of his final book, an exposé of the corrupt roots of the ruling Filipino families, meant to restore his once dazzling reputation. His student, Miguel, is suspicious of the suicide verdict. He investigates: first sifting through the dead man's work for clues, then journeying from New York to Manila, seeking out family, colleagues, and anyone who might hold pieces of the puzzle. But when Miguel assembles the fragments of his mentor's past, this ambitious and rewarding novel expands into far wider contexts – political, social, historical, literary. As patterns emerge, the mystery of a death deepens into the greater mysteries of life – and the reader makes increasingly significant discoveries of their own, until the startling revelation of the final page. 'A big, bold, cunning, impassioned, plangent and very funny book' Scotsman 'Bristling with comic verve, metafictional playfulness, and an undertone of expatriate nostalgia . . . an impressive, vibrant mix of Borgesian literary labyrinth and acerbic émigré comedy' Sunday Times 'A seethingly ambitious debut . . . US critics have cited Bolaño as an obvious comparison; others may think of Midnight's Children-era Rushdie' Independent

Miguel Syjuco's debut novel, Ilustrado, opens with Crispin Salvador, lion of Philippine letters, dead in the Hudson River. His young student, Miguel, sets out to investigate the author's fatal departure from his encroaching obscurity and the suspicious disappearance of an unfinished manuscript—a work that had been planned to not just return the once-great author to fame, but to expose the corruption behind rich families who have ruled the Philippines for generations. To understand the death, Miguel scours the life, charting Salvador's trajectory via his poetry, stories, interviews, novels, polemics, and memoirs. The literary fragments become patterns become stories become epic: a family saga of four generations tracing 150 years of a country's history forged under the Spanish, Americans, and Filipinos themselves. In the end, the story twists, belonging to young Miguel as much as his lost mentor, and readers are treated to an unhindered view of a tropical Third World society caught between reckless decay and hopeful progress. In this astonishingly inventive and bold novel, Syjuco explores fatherhood, regret, revolution, and the mysteries of lives lived and abandoned.
