The perfect recipe for hygge: make a hot chocolate, draw the curtains, snuggle under a blanket and read your way to happiness! It's autumn in Yulethorpe and everyone is gloomy. It's cold, drizzly and the skies are permagrey. The last shop on the high street - an adorable little toy shop - has just shut its doors. Everything is going wrong for Yulethorpe this autumn. Until Clara Kristensen arrives. Clara is on holiday but she can see the potential in the pretty town, so she rolls up her sleeves and sets to work. Things are looking up until Joe comes to Yulethorpe to find out exactly what is going on with his mother's shop. Joe is Very Busy and Important in the City and very sure that Clara is up to no good. Surely no one would work this hard just for the fun of it? Can a man who answers emails at 3 a. m. learn to appreciate the slower, happier, hygge things in life - naps, candles, good friends and maybe even falling in love? Rosie Blake is Brilliantly fun - Heat Just brilliant - Fabulous magazine Hilarious - Hello **** Reviewers love The Hygge Holiday 'Feel-good fiction at its absolute finest' - Isabelle Broom, Heat 'The most gorgeous read' - Sun 'What a wonderful book! Rosie Blake's best novel yet - I had such a gorgeous time reading this story that I couldn't put it down. It was genuinely funny, warm-hearted, and full of unforgettable characters. A pure heartwarming pleasure of a read.' - bestselling author Kirsty Greenwood Light the scented candles and hunker down on the sofa with a hot choc... this funny, warm hug of a book is the ideal companion. - Fabulous magazine 'The Hygge Holiday is hilarious, cosy, heart-warming, fulfilling; pretty much everything you would want from a book... An absolutely phenomenal tale from the incredibly talented Rosie Blake... Be prepared to devour The Hygge Holiday in one sitting. Be prepared to love this book, because yes, it truly is THAT fabulous. Five stars for sure.' - The Writing Garnet 'I loved it' - Heidi Swain, author of Mince Pies and Mistletoe at the Christmas Market

Candlelight is hygge; the smell of freshly brewed coffee is hygge; the feel of crisp, clean bed linen is hygge; dinner with friends is hygge. 'Hygge', pronounced 'hoo-ga', is a Danish philosophy that roughly translates to 'cosiness'. But it is so much more than that. It's a way of life that encourages us to be kinder to ourselves, to take pleasure in the modest, the mundane and the familiar. It is a celebration of the everyday, of sensual experiences rather than things. It's an entire attitude to life that results in Denmark regularly being voted one of the happiest countries in the world. So, with two divorces behind her and her 50th birthday rapidly approaching, journalist Charlotte Abrahams ponders whether it's hygge that's been missing from her life. Is it a philosophy we can all embrace? In a society where lifestyle trends tend to centre on deprivation - be it no sugar, no gluten, no possessions - what does cherishing yourself actually mean? And will it make her happy? In Hygge, Charlotte Abrahams weaves the history of hygge and its role in Danish culture with her own attempts, as an English woman, to embrace a more hygge life. In this beautifully written and stylishly designed book, she examines the impact this has on her home, her health, her relationships and, of course, her happiness. Light a candle, pour yourself a glass of wine, and get ready to enjoy your more hygge life.

Hygge (pronounced 'hu-gah') is a Danish word that describes the feeling of being cosy, comfortable and at peace with the world. It's almost impossible to translate into English, and it's probably the reason that Denmark is one of the happiest countries in the world. The Art of Hygge is packed with recipes to warm you on a cold winter's evening, craft ideas for decorating your home, and inspirational suggestions for enjoying the magic of everyday pleasures. Whether it's a perfectly brewed cup of coffee, a delicious Danish apple cake shared with friends, or a snugly hand-knitted jumper, you'll find that a little hygge brings a lot of happiness!

Hygge Is Not About Candles You can feel hygge without candles, woolen socks or a fireplace. It's about something more. "By embracing hygge, you can make every moment in life meaningful and learn how to best take care of yourself." Danes are not happy because they wear loose clothes. There's more to it. You know it. If scented candles made people happy, nobody today would be depressed. I want to show you, what it is actually about. "Hygge is the embodiment of that feeling you experience around Christmas time when everything has a sense of a magical glow around it and when everyone you love is around." I'm sure you have experienced that feeling. It feels wonderful. Love is in the air. Everybody is enjoying their time. Your family is together, united. What if you could maintain that feeling all year round? "Hygge is applied all throughout the year, and not just during Christmas time." Sounds wonderful, right? Would you like to know how to achieve it? Let me show you what's in this book: 7 simple rules that are essential to experience hygge Why it doesn't matter how many candles you have 7 timeless principles Danes live by to stay happy and fulfilled in their relationships An ancient Jewish concept that will help you find more peace and silence The most common mistake that kills hygge instantly and how to avoid it A simple action you can take to experience hygge wherever you are A forgotten family activity that will bring your loved ones together And much more... I'm sure you already know something about hygge. Otherwise you wouldn't be here. You read some blogs, maybe you even bought some books. But your life didn't change. I want to change that. This book is designed to change your life. It explains what actually makes Danes happy. The essence of their happiness. The art of hygge. It will help you feel more peace and joy in your life. It works for them. Why wouldn't it for you. Please value your time If you want to experience more hygge in your life, more peace, more connection to your family, and less stress in your day to day life, please don't wait. Every second of your time is precious and should be spent living hygge. Click the BUY NOW button right now to discover what you've been missing out on the entire time.

From a young age, Lucy Nichol has always been on edge. Whether it's because of her fear of beards, a general sense that she can catch a disease from anything, or the belief that she's going to throw up at any given moment, she's never really felt safe. In A Series of Unfortunate Stereotypes, Lucy explores the different lenses through which she – and other people – have viewed her mental health problems. She tackles a number of different stereotypes placed on people living with mental illness, including the idea that they are narcissists, hypochondriacs, and psychos.After writing a blog post about her journey, Lucy realised that she wasn't alone in feeling this way. And so she began to talk more about her experience, eventually becoming a columnist in Sarah Millican's magazine Standard Issue. In writing about her life in such an open way, Lucy has been able to claw her way out of her anxiety.A Series of Unfortunate Stereotypes is one of the most fortunate things you could read!

One little word is the secret reminder of what really matters in life: Hygge. CHRISTMAS is the perfect time to embrace it and THIS BOOK will show you how. ----- To me, hygge is: - Meeting my sister for a walk in the park, chatting, laughing and clowning around, as if we were children again. - Listening to the rain on the roof with a cup of tea and my boyfriend next to me. - Drinking wine in my mum's garden - Enjoying a cup of coffee with good friends, that becomes a dinner, that becomes a late-night drink, because no one wants the evening to end. ----- Though we all know the feeling of hygge instinctively few of us ever manage to capture it for more than a moment. Now Danish actress and hygge aficionado Marie Tourell Søderberg - star of BBC 4's 1864 - has travelled the length and breadth of her home country to create the perfect guide to cooking, decorating, entertaining and being inspired the hygge way. Full of beautiful photographs and simple, practical steps and ideas to make your home and life both comfortable and cheering all year round, this book is the easy way to introduce hygge into your life. 'Pretty, homey and intimate, scattered with reflections from ordinary Danes' Guardian

Seven essays celebrating the beauty of the imperfect marriage. We hear plenty about whether or not to get married, but much less about what it takes to stay married. Clichés around marriage-eternal bliss, domestic harmony, soul mates-leave out the real stuff. After marriage you may still want to sleep with other people. Sometimes your partner will bore the hell out of you. And when stuck paying for your spouse's mistakes, you might miss being single. In Wedding Toasts I'll Never Give, Ada Calhoun presents an unflinching but also loving portrait of her own marriage, opening a long-overdue conversation about the institution as it truly is: not the happy ending of a love story or a relic doomed by high divorce rates, but the beginning of a challenging new chapter of which "the first twenty years are the hardest." Calhoun's funny, poignant personal essays explore the bedrooms of modern coupledom for a nuanced discussion of infidelity, existential anxiety, and the many other obstacles to staying together. Both realistic and openhearted, Wedding Toasts I'll Never Give offers a refreshing new way to think about marriage as a brave, tough, creative decision to stay with another person for the rest of your life. "What a burden," Calhoun calls marriage, "and what a gift."

* NOW WITH A NEW CHAPTER *
"A hugely enjoyable romp through the pleasures and pitfalls of setting up home in a foreign land.'" Guardian
Given the opportunity of a new life in rural Jutland, Helen Russell discovered a startling statistic: Denmark, land of long dark winters, cured herring, Lego and pastries, was the happiest place on earth. Keen to know their secrets, Helen gave herself a year to uncover the formula for Danish happiness. From childcare, education, food and interior design to SAD and taxes, The Year of Living Danishly records a funny, poignant journey, showing us what the Danes get right, what they get wrong, and how we might all live a little more Danishly ourselves. In this new edition, six years on Helen reveals how her life and family have changed, and explores how Denmark, too – or her understanding of it – has shifted. It's a messy and flawed place, she concludes – but can still be a model for a better way of living.

'Susie Dent is a one-off. She breathes life and fun into words and language' Pam Ayres
'Susie Dent is a national treasure' Richard Osman
Welcome to a year of wonder with Susie Dent, lexicographer, logophile, and longtime queen of Countdown's Dictionary Corner. From the real Jack the Lad to the theatrically literal story behind stealing someone's thunder, from turtle (forgetting someone's name at the very moment you need it) to snaccident (the unintentional eating of an entire packet of biscuits), WORD PERFECT is a brilliant linguistic almanac full of unforgettable stories, fascinating facts, and surprising etymologies tied to every day of the year. You'll never be lost for words again.
