Maimonides' Guide of the Perplexed is generally read as an attempt either to harmonize reason and revelation or to show that they are irreconcilable. Moving beyond these familiar debates, Josef Stern argues that the perplexity addressed in this famously enigmatic work is the tension between human matter and form: the body and intellect.

Everything you need to know in one take-anywhere field guide! This all-in-one guide from renowned photographer, instructor, and author Bryan Peterson will help you take better photos anytime, anywhere—with any camera. Want to finally understand exposure? Interested in learning to "see" and composing your images more creatively? Ready to master the magic of light? It's all here, the techniques every amateur photographer needs to take better nature, landscape, people, and close-up photos. You'll even get creative techniques, like making "rain" and capturing "ghosts," and practical advice on gear, equipment, and postprocessing software. Filled with Bryan's inspirational photographs, this is the one essential guide

for every camera bag.

Business and Legal Forms for Photographers, 4th Edition contains 34 forms for photographers, each accompanied by step-by-step instructions, advice on standard contractual provisions, and unique negotiation checklists to guide professionals to the best deal. Included are contracts for wedding, portrait, and assignment photography; publishing, collaboration, and licensing contracts; property and model releases; assignment estimate/confirmation/invoice; delivery memo; stock photography invoice; stock agency agreement; permission form; copyright registration and transfer forms; nondisclosure agreement; license of rights; license of electronic rights; trademark application; employment application and agreement; and more. Electronic versions of each form are provided online on a supplemental website, with instructions in the book on how to gain access. New to this edition are forms for leases, subleases, and lease assignments, plus an update to cover changes in copyright registration. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start

careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Short Form Three is one of the most easily recognizable American Kenpo forms. But, did you know Short Form Three was also packed with information? This book contains a wealth of knowledge, never before uncovered by any other source of reference. In this book you will learn not only the form's proper execution, but also its history, a detailed analysis of its place within American Kenpo, and quizzes about the form that will test even the most experienced. Think you are up to the quiz challenge - THINK AGAIN! Be ready to uncover a trove of hidden secrets and have all your questions answered, readily available, and at your fingertips. This guide is artfully crafted to be used by not only the beginner to intermediate student, but also by the most seasoned of practitioners and instructors. And finally, this book is presented to you by the gold standard in American Kenpo guides - EPAKS.
