"Immigrants are going to take American jobs." "They're going to commit crimes." "They won't learn English." We've heard it all. The Most Common Arguments Against Immigration and Why They're Wrong contains the 15 most common arguments against immigration and Cato Institute scholar Alex Nowrasteh's responses to them. Immigration has been the most hotly debated public policy issue in the United States since Donald Trump entered the Republican primary in mid-2015. A new Biden Administration has an opportunity to reverse the anti-immigration actions of the Trump Administration and expand legal immigration. From economics to crime, terrorism, cultural assimilation, and the voting habits of immigrants, Nowrasteh considers the most common arguments against immigration and rejects them using sound reasoning and evidence.

American Book Award Winner: A "moving, intimate" account of serving as a translator for undocumented children facing deportation (The New York Times Book Review). Nonfiction Finalist for the Kirkus Prize Finalist for National Book Critics Circle Award for Criticism Structured around the forty questions volunteer worker Valeria Luiselli translates from a court system form and asks undocumented Latin American children facing deportation, Tell Me How It Ends humanizes these young migrants and highlights the contradiction between the idea of America as a fiction for immigrants and the reality of racism and fear—here and back home. "Luiselli's prose is always lush and astute, but this long essay, which borrows its framework from questions on the cold, bureaucratic work sheets with which she became so familiar (for example, 'Did anything happen on your trip to the U.S. that scared or hurt you?'), is teeming with urgency...In this slim volume about the spectacular failure of the American Dream, she tells the stories of the unnamed children she's encountered and their fears and desires, as well as her own family's immigration story." —Vulture "Worthy of inclusion in a great American (and international) canon of writing about migration." —Texas Observer "A powerful indictment of American immigration policy, [Tell Me How It Ends] examines a system that has failed child refugees in particular." —Financial Times "Masterfully blends journalism, auto/biography, and political history into a compelling and cohesive narrative. . . . Luiselli uses the personal to get political but smartly sidesteps identity politics to focus on policy instead."—The Rumpus

Beginning with the advent of Puerto Ricans in America in the fifties, a lucid evaluation of recent Latino immigration and its dramatic effects on America touches on such issues as bilingualism, assimilation, poverty, welfare, and ethnic consciousness. Reprint.

This anthology surveys the immigration experience from a wide range of cultural

and historical viewpoints. Contributors include Jacob Riis, Edwidge Danticat, Junot Díaz, and many others.

THE NATIONAL BESTSELLER “This riveting, courageous memoir ought to be mandatory reading for every American.” —Michelle Alexander, New York Times bestselling author of *The New Jim Crow* “I cried reading this book, realizing more fully what my parents endured.” —Amy Tan, New York Times bestselling author of *The Joy Luck Club* and *Where the Past Begins* “This book couldn’t be more timely and more necessary.” —Dave Eggers, New York Times bestselling author of *What Is the What* and *The Monk of Mokha* Pulitzer-Prize winning journalist Jose Antonio Vargas, called “the most famous undocumented immigrant in America,” tackles one of the defining issues of our time in this explosive and deeply personal call to arms. “This is not a book about the politics of immigration. This book—at its core—is not about immigration at all. This book is about homelessness, not in a traditional sense, but in the unsettled, unmoored psychological state that undocumented immigrants like myself find ourselves in. This book is about lying and being forced to lie to get by; about passing as an American and as a contributing citizen; about families, keeping them together, and having to make new ones when you can’t. This book is about constantly hiding from the government and, in the process, hiding from ourselves. This book is about what it means to not have a home. After 25 years of living illegally in a country that does not consider me one of its own, this book is the closest thing I have to freedom.” —Jose Antonio Vargas, from *Dear America*

An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique’s Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: “This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one.” Praise for *Enrique’s Journey* “Magnificent . . . *Enrique’s Journey* is about love. It’s about family. It’s about home.”—*The Washington Post Book World* “[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking.”—*People* (four stars) “Stunning . . . As an adventure narrative alone, *Enrique’s Journey* is a worthy read. . . . Nazario’s impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one.”—*Entertainment Weekly* “Gripping and harrowing . . . a story begging to be told.”—*The Christian Science Monitor* “[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid.”—*Newsday*

This issues-based reference work (available in both print and electronic formats) shines a spotlight on immigration policy in the United States. The U.S. is a nation of immigrants. Yet while the lofty words enshrined with the Statue of Liberty stand as a source of national pride, the rhetoric and politics surrounding immigration policy all-too-often have proven far less lofty. In reality, the apparently open invitation of Lady Liberty seldom has been without restriction. Throughout our history, impassioned debates about the appropriate scope and nature of such restriction have emerged and mushroomed, among politicians, among scholars of public policy, among the general public. In light of the need to keep students, researchers, and other interested readers informed and up-to-date on status of U.S. immigration policy, this volume uses introductory essays followed by point/counterpoint articles to explore prominent and perennially important debates, providing readers with views on multiple sides of this complex issue. While there are some brief works looking at debates on immigration, as well as some general A-to-Z encyclopedias, we offer more in-depth coverage of a much wider range of themes and issues, thus providing the only fully comprehensive point/counterpoint handbook tackling the issues that political science, history, and sociology majors are asked to explore and to write about as students and that they will grapple with later as policy makers and citizens. Features & Benefits: The volume is divided into three sections, each with its own Section Editor: Labor & Economic Debates (Judith Gans), Social & Cultural Debates (Judith Gans), and Political & Legal Debates (Daniel Tichenor). Sections open with a Preface by the Section Editor to introduce the broad theme at hand and provide historical underpinnings. Each section holds 12 chapters addressing varied aspects of the broad theme of the section. Chapters open with an objective, lead-in piece (or "headnote") followed by a point article and a counterpoint article. All pieces (headnote, point article, counterpoint article) are signed. For each chapter, students are referred to further readings, data sources, and other resources as a jumping-off spot for further research and more in-depth exploration. Finally, volume concludes with a comprehensive index, and the electronic version includes search-and-browse features, as well as the ability to link to further readings cited within chapters should they be available to the library in electronic format.

"Few would deny that immigration controls are restrictions on individual freedom. In debates about immigration, however, freedom is rarely mentioned. When it is raised it is usually indirectly, and the contending parties typically divide into those who question the wisdom or the morality of limiting the movement of would-be immigrants and others who think such restrictions warranted. The language of freedom rarely makes an appearance, perhaps because the liberty of foreigners or aliens does not really interest most people. Advocates of immigrants express a concern for the welfare of outsiders; others appeal to the welfare of natives and the integrity of the nation. The point of this book is to establish freedom as the basis of the immigration question. Chandran Kukathas argues that what's at stake is nothing less than the liberty of citizens and residents of the free society, and therefore the free society itself. To put it simply, immigration controls are controls on people, and it is not possible to control some people without controlling others. More specifically, it is not possible to control outsiders (aliens, foreigners, would-be immigrants) without controlling insiders as well, and to enforce immigration control is to enforce control generally. The author shows why this must be so, and explains

Read PDF Immigration Topics For Argumentative Paper

why it is significant. Over the course of eight chapters and an epilogue, the book draws anecdotally on current and historical immigration practices in Canada, the United States, Australia, Japan, Singapore and most of the major Western European countries, but the information is deployed in service of an accessible, first-principles argument. To assess immigration, he says, we must think then about what we value most about our society and also come to a clearer understanding about what we mean by immigration in the first place. In the conclusion, he defends the need for greater freedom of movement-which ultimately means a world of more open borders"--
