passions and tensions of the current Middle East conflict are here as the struggle between Biblical brothers continues in this "Isaac vs. Ishmael" tale but this time the prize is the American dream! In Atlantic City, after watching a major player lose and win back millions at the blackjack table, Joshua Kanh and his wife Joan are presented with a devil's deal when they meet a rich Arab sultan who offers Joshua one million dollars in exchange for a night with Joan. But that night isn't the end of their entanglement. Jew and Arab, the men are brothers even when murderously jealous. The Gentile woman is between them, but neither can wholly have her. The outcome will be a rupture of the fragile tolerance that unites the threea descent into a bloody triangle. This controversial novel

Pure Engelhard gem. In this one, *The Girls of Cincinnati*, he's given us something never thought possible, a coming-of-age saga that's also a sizzling thriller. The plot here is riveting. The dialogue sparkles. What's it about? It's about life. Anyone who's been in love - especially love that appears to be out of reach - will understand what's going on between Engelhard's two heroes, Eli Brilliant and Stephanie Eaton. Anyone who feels the approach of menace will understand what these two must endure when a crazed woman appears on the scene, threatening them both with "a fate worse than death." Anyone who works

at a dead-end job will be right there with Eli, who ends up working for Harry's Carpet City in Cincinnati, Ohio. Eli is back home in the Midwest after he failed to make it in New York as an actor. So that's one dream down the drain. But now that he's back in Cincinnati, he's got Stephanie Eaton - or does he? Something always goes wrong between them, and this time, terribly wrong. Engelhard, the last of the Hemingways, gives us the heartland of America as it's rarely been given to us before in literature. He gives us an unvarnished view inside the world of Sales and he gives us a broken-down old salesman that's the equal of anything produced by Arthur Miller and David Mamet. Engelhard is most precious in his asides, his quick-cut commentaries. In Eli Brilliant, Engelhard gives us a

Engelhard character, though young and handsome, who we can all identify with - especially when we find Eli always reaching for the unattainable. Yes, he's a lover, a chick magnet - hence the title - but don't be fooled. This character, and this novel, goes much deeper. From start to finish, *The Girls of Cincinnati* is a triumph.

Great stuff from a great American novelist. Jack Engelhard (*Indecent Proposal*, *The Bathsheba Deadline*, *The Days of the Bitter End*) brings it as only he can in language that is economical, hard-boiled and fast-paced to uncover through the art of fiction the naked truth about a TV news personality who resembles someone we all know. with legs to die for. What's it like to live under the glare of the spotlight, and to love after the lights go down? In Engelhard's masterful rendering, we follow the glamorous Marjorie Carmen's rise to TV news stardom and what it took to get there, and what it takes to stay there. She came along when network TV news was dominated by living but dull white males. We root for her, hurt for her, love with her, find fault with her, and are always fascinated by her. But she is only half the story. As she keeps winning, her husband, Rick, keeps losing. He's a failure. He must do something to prove he's worth keeping. The choice he makes leads to a fascinating result, and in taking us inside a teetering marriage, Engelhard is peerless. Watch for the third major character Engelhard adds to the

In Escape from Mount Moriah, Jack Engelhard achieves the impossible. Jack Engelhard's *The Days of the Bitter End* may well be the definitive word on the 1960s. This is a landmark book, masterfully evocative. Engelhard once again proves himself to be a truly great novelist in this beautifully crafted historical novel that recaptures an era that has left an indelible mark on our culture to this day. Superb, gutsy novel. The Bathsheba Deadline is a newsroom thriller ripped from the headlines. The present day action takes place in a Manhattan newsroom where three leading journalists find themselves caught in a sizzling three-way love triangle that may lead to murder in the Middle East (Israel). The year is 1969... a time when the youth of America is standing up to its elder rulers... when minorities are demanding their fair share of the American pie... a time when an eternal war fought for misbegotten motives and fueled by a continuous stream of some of the most outrageous lies ever fed to a people by its leadership over the previous eight years continues to gut an entire generation... a time when the old values, the old expectations, the old imperatives are knocked flat. College, it is a saga of coming of age... at a time when the younger generation accepted very little of the old yardsticks and guideposts which traditionally helped that process along. Based on a true story, and the stories of others, the book follows the young man into the year 1969 as he struggles with the decisions expected of him by elders and demanded of him by life. The story leads to a factory job in the pine barrens of his native New Jersey, thence overseas, to the stimulating atmosphere of a youthful community of international wanderers in Great Britain, to an Ireland torn by age old divisions, to France, whose gendarmerie remain brooding and vengeful in the wake of the bloody Sorbonne riots of the previous year, to the Spain of General Franco, and finally to the turbulence of North Africa.
