The book on salads for all seasons! No matter the combination, whether it's with vegetables, fruits, meat, fish or flowers, and no matter the degree of difficulty, whether it's elaborate, conventional, or exotic - this book offers a wealth of recipes to serve throughout the year. Delicious photographs show cooks of all levels of experience how to prepare each creation, while useful inserts give extra information on key ingredients from oil to vinegar to salt and pepper. This tasty combination ensures that Salads is more than a primer to salad-preparation - it's the perfect gift for anyone committed to a healthy lifestyle.

This Seventh Edition of the best-selling intermediate Italian text, DA CAPO, reviews and expands upon all aspects of Italian grammar while providing authentic learning experiences (including new song and video activities) that provide students with engaging ways to connect with Italians and Italian culture. Following the guidelines established by the National Standards for Foreign Language Learning, DA CAPO develops Italian language proficiency through varied features that accommodate a variety of teaching styles and goals. The Seventh Edition emphasizes a well-rounded approach to intermediate Italian, focusing on balanced acquisition of the four language skills within an updated cultural framework. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Includes a sneak peek of Undoctored—the new book from Dr. Davis! In this #1 New York Times bestseller, a renowned cardiologist explains how eliminating wheat from our diets can prevent fat storage, shrink unsightly bulges, and reverse myriad health problems. Every day, over 200 million Americans consume food products made of wheat. As a result, over 100 million of them experience some form of adverse health effect, ranging from minor rashes and high blood sugar to the unattractive stomach bulges that preventive cardiologist William Davis calls "wheat bellies." According to Davis, that excess fat has nothing to do with gluttony, sloth, or too much butter: It's due to the whole grain wraps we eat for lunch. After witnessing over 2,000 patients regain their health after giving up wheat, Davis reached the disturbing conclusion that wheat is the single largest contributor to the nationwide obesity epidemic—and its elimination is key to dramatic weight loss and optimal health. In *Wheat Belly*, Davis exposes the harmful effects of what is actually a product of genetic tinkering and agribusiness being sold to the American public as "wheat"—and provides readers with a user-friendly, step-by-step plan to navigate a new, wheat-free lifestyle. Informed by cutting-edge science and nutrition, along with case studies from men and women who have experienced life-changing transformations in their health after waving goodbye to wheat, *Wheat Belly* is an illuminating look at what is truly making Americans sick and an action plan to clear our plates of this seemingly benign ingredient.

Un intrigante viaggio a 360° nell'infinito mondo della natura selvatica, con Cristina Rovelli, prima

THE INTERNATIONAL BESTSELLER! Valerie Orsoni's French diet sensation comes to America! Discover the food and fitness plan that's changed over a million lives...delicious recipes included. DETOX/ATTACK/MAINTENANCE After a lifetime of insane regimens, weight fluctuations, and feeling utterly demoralized, Valerie Orsoni had enough of the diet scene. She wanted a way to shed pounds, become healthy, and keep to the great French tradition of enjoying food--and enjoying life. The result? A groundbreaking diet plan that, to date, has more than one million members in 38 countries—and counting! Orsoni's plan, Le Bootcamp, is based on four simple tenets: • Gourmet Nutrition—A long, healthy life can be achieved while eating tasty, tempting meals and snacks from all food groups. • Easy Fitness—A program that will get your heart pumping, your blood flowing, and your muscles moving without having to block hours out of your busy day. • Motivation—Proven techniques to keep you from getting down and help you stay on track. • Stress and Sleep Management—Bringing both the body and mind into harmony to reduce stress, improve sleep quality, and even trim down belly fat. Getting fit doesn't mean a lifetime of deprivation and misery. With the right tools, any food, activity, and lifestyle can be transformed into a healthy one—and Valerie Orsoni can show you how.

Enjoy authentic Italian Insalata in every season! Salads introduces you to the authentic flavors of Italian cuisine in all its glory - the highest quality fresh ingredients, the subtle balance of tradition and innovation, and, above all, a joyous spirit. From the world-famous Insalata Caprese to the classic seafood salad of Naples, here are 50 sensational salads to savor.
