More companies are now doing the most to place priority on and embrace sustainability in business – and we’re here for it. According to Forbes, the top five most sustainable brands of 2020 are Orsted A/S (Denmark), Chr. Hansen Holding A/S (Denmark), Neste Oyj (Finland), Cisco Systems Inc, (United States), Autodesk Inc (United States). Moving up sixty nine spots since 2018 and now first on ...

Remarkable change is the new reality of International Business. The accelerating cross-border flow of products, services, capital, ideas, technology and people are driving businesses--large and small--to internationalise. International Business 1st Australasian edition: the New Realities is a rigorous resource which motivates and prepares future managers to operate in multi-national settings, by delivering a teaching system that works. Based on the authors’ collective teaching and working experience—as well as discussions with practitioners, students, and faculty staff—this is a complete teaching and learning system where cases, exercises and management skill builders are seamlessly integrated and matched to the topics in each chapter. Case studies from a wide variety of markets relevant to Australasian businesses, including ASEAN countries (e.g. Singapore, Malaysia, Indonesia) as well as China, India, Japan, South Korea, Pakistan, Europe and the Middle East, provide a real-world perspective to theories and examine the latest trends in international business. For undergraduate students majoring in international business or post-graduate courses in international business.

The accelerating cross-border flow of products, services, capital, ideas, technology and people is driving businesses--large and small--to internationalise. International Business 2nd Australasian edition: the New Realities is a rigorous resource which prepares future managers to operate successfully in multinational settings. Case studies from a wide variety of markets relevant to Australasian business, including ASEAN countries as well as China, India, Japan, South Korea, Pakistan, Europe and the Middle East, provide a real-world perspective to theories and examine the latest trends in international business. The second edition of International Business features 10 new in-depth case studies specially created for this edition. For undergraduate students majoring in international business or post-graduate courses in international business.

For courses in international business. International Business: The New Realities caters to a post-millennial student audience, the most diverse and educated generation to date. The book connects to students of the technological age, facing a diverse and evolving economic environment fueled by the internet and multimedia sources. The authors understand and speak to what motivates this group, also known as Generation Z -- their reliance on technology, their drive towards achievement and helping their communities, and their desire to obtain skills they can apply towards meaningful jobs. By addressing their interests and issues such as the competitive job market and challenges faced by advanced economies, the text engages students in the material and preps them for successful careers in international business.

KEY BENEFIT: CKR is an evolving learning package that makes teaching easier and captures IB as practiced today. The text addresses emerging markets, the growing participation of small and medium-sized firms in international business, and examples of both international and national businesses so students can see IB from all perspectives. CKR also offers an online resource called the Educator's Consortium that supports and connects students and instructors worldwide. This text is for business students and professionals interested in learning about the impact of international business and emerging markets.

Thoroughly updated, the 9th edition of this bestselling textbook incorporates global trends and data, supported by an exemplary case selection based on firms from around the world. The internationally cited author team of Czinkota, Ronkainen, and Gupta balance conceptual understanding of business theory with the day-to-day realities of business practice, preparing students to become successful participants in the global business place. This edition brings greater focus on Asia and emerging markets, as well as Brexit, the impact of COVID-19 on business and the importance of technology and the digital space to international business practice. Through its discussion and analysis, the book guides students to a greater understanding of contemporary business issues and helps them to develop new tools of analysis. Covering all key aspects of international business, the authors emphasize a few key dimensions: international context, role of government in international business, small- and medium-sized firms, and social responsibility.
