Whether this is your first exploration of the inner-Self or you have long been on an inward journey; this book will transform you and your relationship with your partner. Single? It will open up your ability to have more conscious, new paradigm, Enlightened relationships in the future.

"Living the Life That You Are weaves together psychology, ancient wisdom, and honest personal reflections into a coherent and inspiring whole. If loneliness is the great disease of the modern age, then Nic's heartfelt plea for self-love is much-needed medicine." --Jeff Foster, author of Falling in Love with Where You Are When you feel isolated and alone, the world can seem like an enormously unfamiliar, confusing, and scary place. You may get caught up in your own thoughts and feelings, and even avoid connecting with others out of fear of being criticized, misunderstood, or uncomfortable—which only leads to more isolation and loneliness. This cycle can be hard to break, but you are not doomed to endure this painful condition of feeling lost and alone. This book can help you find authentic peace, confidence, and connection with all that is, right here and now. Living the Life That You Are examines the modern-day dilemma of loneliness, revealing that its root cause is the belief that we're all separate individuals bound by personal limitations. We feel disconnected and incomplete, assuming that life's fullness exists somewhere out there, and that we must be, do, or have more for lasting fulfillment. But the truth is, despite our limited appearance, we are actually boundless. There is no divide between our internal and external worlds. This is the ancient philosophy of non-duality—we are the wholeness we are seeking. The life that you are is all that is right now: every texture, flavor, fragrance, sight, and sound in their abundance. Using radical mindfulness—a combination of mindfulness and non-dual self-inquiry—this book will guide you toward awakening to the transformative truth and love that is your foundational being. By learning to observe, acknowledge, and question your experience without censorship or prejudice, your sense of being lost and alone will give way to an enriching and comforting state of communion with all. Includes music downloads for a radically mindful soundtrack

Balances science with spirituality in a study of human evolution, from the appearance of reflective consciousness to modern communications, and proposes three additional stages to be realized

What is your true purpose in life? What do women really want? What makes a good lover? If you're a man reading this, you've undoubtedly asked yourself these questions—but you may not have had much luck answering them. Until now. In *The Way of the Superior Man* David Deida explores the most important issues in men's lives—from career and family to women and intimacy to love and spirituality—to offer a practical guidebook for living a masculine life of integrity, authenticity, and freedom. Join this bestselling author and internationally renowned expert on sexual spirituality for straightforward advice, empowering skills, body practices, and more to help you realize a life of fulfillment, immediately and without compromise.

"The Varieties of Religious Experience is certainly the most notable of all books in the field of the psychology of religion and probably destined to be the most influential [one] written on religion in the twentieth century," said Walter Houston Clark in *Psychology Today*. The book was an immediate bestseller upon its publication in June 1902. Reflecting the pluralistic views of psychologist-turned-philosopher William James, it posits that individual religious experiences, rather than the tenets of organized religions, form the backbone of religious life. James's discussion of conversion, repentance, mysticism, and hope of reward and fears of punishment in the hereafter—as well as his observations on the religious experiences of such diverse thinkers as Voltaire, Whitman, Emerson, Luther, Tolstoy, and others—all support his thesis. "James's characteristic humor, his ability to put down the pretentious and to be unpretentious, and his willingness to take some risks in his choices of anecdotal data or provocative theories are all apparent in the book," noted Professor Martin E. Marty. "A reader will come away with more reasons to raise new questions than to feel that old ones have been resolved."

A writer and her artist partner uncover the secrets of cultural conditioning, sacred sexuality, and personal transformation. A revolutionary spiritual memoir 20 years in the making, *Venus and Her Lover* will show you how ancient spiritual principles and the secret history of sexuality reveal the path to fulfilling relationships.

"Lash is capable of explaining the mind-bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight. . . . [His] arguments are often lively and entertaining."—*Los Angeles Times* Fully revised and with a new preface by the author, this timely update is perfect for readers of *The Immortality Key*. Since its initial release to wide acclaim in 2006, *Not in His Image* has transformed the lives of readers around the world by presenting the living presence of the Wisdom Goddess as never before revealed, illustrating that the truth of an impactful Gnostic message cannot be hidden or destroyed. With clarity, author John Lamb Lash explains how a little-known messianic sect propelled itself into a dominant world power, systematically wiping out the great Gnostic spiritual teachers, the Druid priests, and the shamanistic healers of Europe and North Africa. Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth-tellers and keep their own secrets. Not in His Image delves deeply into ancient Gnostic writings to reconstruct the story early Christians tried to scrub from the pages of history, exploring the richness of the ancient European Pagan spirituality—the Pagan Mysteries, the Great Goddess, Gnosis, the myths of Sophia and Gaia. In the 15th Anniversary Edition, Lash doubles down on his original argument against redemptive ideology and authoritarian deceit. He shows how the Gnostics clearly foresaw the current program of salvation by syringe, and places the Sophianic vision of life centrally in the battle to expose and oppose the evil agenda of transhumanism, making this well-timed update more relevant than ever. "Sometimes a book changes the world. *Not in His Image* is such a book. It is clear, stimulating, well-researched, and sure to outrage the experts. . . . Get it. Improve not just your own life, but civilization's chances for survival."—Roger Payne, author of *Among Whales*

The Western idea of enlightenment, rooted in the great vision of the Biblical prophets, is generally understood to have entered mainstream consciousness through the political democratic movements of the mid-18th century. "Unique Self" opens the door to the potential democratization of enlightenment.
