Are you an IT professional involved in deploying the iPhone and or iPad in your company or organization? Do you have fellow employees who are eager to use their iPhones and iPads for work? Then this is the book for you. Enterprise iPhone and iPad Administrator's Guide provides step-by-step instructions on how to deploy and integrate the iPhone within a range of professional environments—from large businesses and educational institutions to medium-sized offices. This book ensures that the process is achieved in a

# File Type PDF Ipad Configuration Profile Guide

streamlined, efficient, and cost-effective manner. The guide begins with an introduction to basic deployment concerns, then moves into actual methods and tools that you can use to streamline the deployment process. Next, an in-depth discussion of configuration and provisional profiles helps you deliver solid device setup, security, and adherence to organization policies. Finally, you'll learn how to use existing help desk teams to provide effective user support. Also included is coverage of the latest iPhone- and iPad-specific enterprise technologies (such as push notification and calendaring tools) as well as internal iPhone and iPad applications and web-based

# File Type PDF Ipad Configuration Profile Guide

solutions for businesses.

In this book, readers will learn to how manage iOS in business settings, from small to large, using Apple's iOS configuration and management utilities. The first half of the book provides a strong foundation of managing iOS devices, looking at the various methods of management, from the simple to the complex. The second half of the book covers advanced topics, such as server setup.

Despite Apple's legendary ease of use, the iPad presents many users with a challenge. Its unique design, operating system, and applications--among other things--can be confounding to the very business people who would

# File Type PDF Ipad Configuration Profile Guide

find it beneficial. The primary audience for this ebook is business people working in a corporate environment who have been issued an iPad by their employer and are looking to integrate the low-cost iPad into their workflow. Topics covered include syncing the iPad with Windows-based devices, working with spreadsheets, developing and presenting slideshows, app recommendations, and more.
