Hassan explain how these violent extremists evolved from a nearly defeated Iraqi insurgent group into a jihadi army of international volunteers who behead Western hostages in slickly produced videos and have conquered territory equal to the size of Great Britain. Beginning with the early days of Abu Musab al-Zarqawi, the founder of ISIS's first incarnation as "al-Qaeda in Iraq," Weiss and Hassan explain who the key players are—from their elusive leader Abu Bakr al-Baghdadi to the former Saddam Baathists in their ranks—where they come from, how the movement has attracted both local and global support, and where their financing comes from. Political and military maneuvering by the United States, Iraq, Iran,

## Read PDF Isis Inside The Army Of Terror

and Syria have all fueled ISIS's astonishing and explosive expansion. Drawing on original interviews with former US military officials and current ISIS fighters, the authors also reveal the internecine struggles within the movement itself, as well as ISIS's bloody hatred of Shiite Muslims, which is generating another sectarian war in the region. Just like the one the US thought it had stopped in 2011 in Iraq. Past is prologue and America's legacy in the Middle East is sowing a new generation of terror.

A year ago, few people had heard of ISIS-- today, they are a major terrorist threat. Despite numerous warnings from intelligence services, ISIS's rise to

power has left countries around the world floundering for solutions. Today, we face a threat that is more violent, powerful and financially stronger than ever before. In this book, Journalist Benjamin Hall will provide insights by answering the basic questions we still don't have the answers to; Who are they? Where did they come from? How are they so successful, so quickly? How can they be stopped? By embedding himself behind enemy lines, Hall provides a riveting narrative based on firsthand experience and personal interviews. He goes beyond the vicious jihadis, to reveal a generation of chaos, and uncover a volatile region engulfed in turmoil. Hall reveals why ISIS is a problem that will define the Middle East - and the

operate from their social media strategy to their illicit oil revenues. Drawing on original interviews with former U.S. military officials and current ISIS fighters, the authors also reveal the internecine struggles within the movement itself, as well as ISIS's fanatical hatred Shiite Muslims, which is generating another sectarian war in the region.

The essential “on the ground” report on the fastest-growing new threat in the Middle East, from the winner of the 2014 Foreign Affairs Journalist of the Year Award Born of the Iraqi and Syrian civil wars, the Islamic State astonished the world in 2014 by creating a powerful new force in the Middle East. By combining

## Read PDF Isis Inside The Army Of Terror

religious fanaticism and military prowess, the new self-declared caliphate poses a threat to the political status quo of the whole region. In *The Rise of Islamic State*, Patrick Cockburn describes the conflicts behind a dramatic unraveling of US foreign policy. He shows how the West created the conditions for ISIS's explosive success by stoking the war in Syria. The West—the US and NATO in particular—underestimated the militants' potential until it was too late and failed to act against jihadi sponsors in Saudi Arabia, Turkey and Pakistan.

The Islamic State, known as ISIS, exploded into the public eye in 2014 with startling speed and shocking

## Read PDF Isis Inside The Army Of Terror

brutality. It has captured the imagination of the global jihadist movement, attracting recruits in unprecedented numbers and wreaking bloody destruction with a sadistic glee that has alienated even the hardcore terrorists of its parent organization, al Qaeda. Jessica Stern and J.M. Berger, two of America's leading experts on terrorism, dissect the new model for violent extremism that ISIS has leveraged into an empire of death in Iraq and Syria, and an international network that is rapidly expanding in the Middle East, North Africa and around the world. ISIS: The State of Terror traces the ideological innovations that the group deploys to recruit unprecedented numbers of Westerners, the

## Read PDF Isis Inside The Army Of Terror

composition of its infamous snuff videos, and the technological tools it exploits on social media to broadcast its atrocities, and its recruiting pitch to the world, including its success at attracting thousands of Western adherents. The authors examine ISIS's predatory abuse of women and children and its use of horror to manipulate world leaders and its own adherents as it builds its twisted society. The authors offer a much-needed perspective on how world leaders should prioritize and respond to ISIS's deliberate and insidious provocations.

The rapid expansion of ISIS and its swathe of territorial gains across the Middle East have been

## Read PDF Isis Inside The Army Of Terror

headline news since 2013. Yet much media attention and analysis has been focussed upon the military exploits, brutal tactics and radicalisation methods employed by the group. While ISIS remains a relatively new phenomenon, it is important to consider the historical and local dynamics that have shaped the emergence of the group in the past decade. In this book Simon Mabon and Stephen Royle provide the reader with a comprehensive overview of the roots, tactics and ideology of the group, exploring the interactions of the various participants involved in the formative stages of ISIS. Based on original scholarly sources and first-hand research in the region, this book provides an authoritative and closely-

## Read PDF Isis Inside The Army Of Terror

analysed look at the emergence of one of the defining forces of the early twenty-first century.

The so-called Islamic State, or ISIS, has inspired young men and women all over the world to commit horrible atrocities in its name. How has the Islamic State surpassed al-Qaeda to become the most popular jihadist group on the planet? Its goal is not only to revive the Islamic empire but also usher in the End of Times - a final battle that will restore the Muslim community to its medieval glory days. And they will not stop until they achieve their mission.

Airpower in the War against ISIS chronicles the

## Read PDF Isis Inside The Army Of Terror

planning and conduct of Operation Inherent Resolve by U.S. Central Command (CENTCOM) from August 2014 to mid-2018, with a principal focus on the contributions of U.S. Air Forces Central Command (AFCENT). Benjamin S. Lambeth contends that the war's costly and excessive duration resulted from CENTCOM's inaccurate assessment of the Islamic State in Iraq and Syria (ISIS), determining it was simply a resurrected Iraqi insurgency rather than recognizing it as the emerging proto-state that it actually was. This erroneous decision, Lambeth argues, saw the application of an inappropriate counterinsurgency strategy and use of rules of engagement that imposed needless restrictions on

## Read PDF Isis Inside The Army Of Terror

the most effective use of the precision air assets at CENTCOM's disposal. The author, through expert analysis of recent history, forcefully argues that CENTCOM erred badly by not using its ample air assets at the outset not merely for supporting Iraq's initially noncombat-ready ground troops but also in an independent and uncompromising strategic interdiction campaign against ISIS's most vital center-of-gravity targets in Syria from the effort's first moments onward.

Ever since the Soviet invasion of Afghanistan in 1979, fighters from abroad have journeyed in ever-greater numbers to conflict zones in the Muslim world to

## Read PDF Isis Inside The Army Of Terror

defend Islam from-in their view-infidels and apostates. The phenomenon recently reached its apogee in Syria, where the foreign fighter population quickly became larger and more diverse than in any previous conflict. In Road Warriors, Daniel Byman provides a sweeping history of the jihadist foreign fighter movement. He begins by chronicling the movement's birth in Afghanistan, its growing pains in Bosnia and Chechnya, and its emergence as a major source of terrorism in the West in the 1990s, culminating in the 9/11 attacks. Since that bloody day, the foreign fighter movement has seen major ups and downs. It rode high after the 2003 US invasion of Iraq, when the ultra-violent Al Qaeda in Iraq (AQI) attracted

## Read PDF Isis Inside The Army Of Terror

thousands of foreign fighters. AQI overreached, however, and suffered a crushing defeat. Demonstrating the resilience of the movement, however, AQI reemerged anew during the Syrian civil war as the Islamic State, attracting tens of thousands of fighters from around the world and spawning the bloody 2015 attacks in Paris among hundreds of other strikes. Although casualty rates are usually high, the survivors of Afghanistan, Syria, and other fields of jihad often became skilled professional warriors, going from one war to the next. Still others returned to their home countries, some to peaceful retirement but a deadly few to conduct terrorist attacks. Over time, both the United States and Europe have learned

## Read PDF Isis Inside The Army Of Terror

to adapt. Before 9/11, volunteers went to and fro to Afghanistan and other hotspots with little interference. Today, the United States and its allies have developed a global program to identify, arrest, and kill foreign fighters. Much remains to be done, however-jihadist ideas and networks are by now deeply embedded, even as groups such as Al Qaeda and the Islamic State rise and fall. And as Byman makes abundantly clear, the problem is not likely to go away any time soon.
