We all want to improve our music theory, but how many of us actually have the time to study it? Practising our instrument is difficult enough on its own. Never mind! It's Easy To Bluff gives you all the skills you need! You'll learn the basics of music theory without the need for extreme classical notation, plus tips on chord construction, aural skills, scales and keys. All the music jargon you'll come across is translated into plain, simple English. There's even (yes!) a complete idiot-proof guide to reading music.

It's Easy to Bluff...A humorous look at different styles of guitar playing!Features a player biography section with photos and text on famous artists recognised for one particular style of music. It includes their history and background playing style, techniques to steal, the equipment they used and details their most well known albums.The largest section of the book includes rhythms, melodies, chords to use and is written out in stave and tab, each with a humorous caption. Sections include chord sequences, scales, licks and riffs, party pieces and a 24 bar 'music shop classic'.

Every guitarist has played the acoustic at one time or another, but how many of us really sound any good unplugged? Why do we all play the same three chords when we pick up an acoustic guitar? Isn't life too short to learn all those fancy finger patterns and open tunings? Never mind... It's Easy To Bluff gives you all the skills you need! Learn to play some impressive licks and chords, discover you can bluff your way through the cruellest campfire sessions, and find out exactly why Streets Of London will get you thrown out of any folk club in the land.

Every guitar player loves the blues, but how many of us were actually born into poverty in Mississippi? And can anyone honestly claim to have heard the complete recordings of Charley Patton? Never mind... It's Easy To Bluff gives you all the skills you need! Learn to play some impressive blues licks, and discover how to look the part and hold your own in any blues conversation.

Most electric guitar players like their music heavy, but how many of us really know the difference between Doom and Death metal? Which bands' riffs are cool, and which ones will get you laughed out of the guitar shop? Never mind... It's Easy To Bluff gives you all the skills you need! There's a guide to all the different types of metal, with - most importantly - a coolness rating for each one. Learn to play some impressive licks and riffs and discover everything you need to hold your own at any metal gig.

Every electric guitar player likes rock music, but how many of us actually own a rack full of classic rock albums? What's the easiest way to be the best player in the guitar shop? Never mind... It's Easy To Bluff gives you all the skills you need! Learn to play some impressive licks and riffs, discover everything you need to hold your own at any rock gig, and learn how to set your amp so that you impress your mates and annoy the neighbours at the same time.

And she certainly brought something to the table, including a PhD in psychology and an acclaimed and growing body of work on human behavior and how to hack it. So Seidel was in, and soon she was down the rabbit hole with him, into the wild, fiercely competitive, overwhelmingly masculine world of high-stakes Texas Hold'em, their initial end point the following year's World Series of Poker. But then something extraordinary happened. Under Seidel's guidance, Konnikova did have many epiphanies about life that derived from her new pursuit, including how to better read, not just her opponents but far more importantly herself; how to identify what tilted her into an emotional state that got in the way of good decisions; and how to get to a place where she could accept luck for what it was, and what it wasn't. But she also began to win. And win. In a little over a year, she began making earnest money from tournaments, ultimately totaling hundreds of thousands of dollars. .
