"It's Not About the Coffee offers the true ingredients for enduring results: a set of proven principles we can all aspire to work and live by. With his trademark honesty and high expectations, Howard Behar provides stories, recommendations, and guardrails for anyone seeking to achieve sustainable success in their organization and life."

It's Not About The Coffee - Howard Behar

In the end, the book is about the coffee. Not in it's content but in it's experience. Like a Starbucks latte it is overpriced for what you get, the ideas like the beans have been overcooked and charred and the only way to survive it is to bury it in the sacchrine syrup to cover up how bad the taste really is.

It ' s not about the coffee. It is about expression and the eternal release of thought into the world. Also the light of the lamp represents the presence of the character ' s thoughts casting over the books. And of course the chair makes the image into a scene where one could imagine a character hard at work reading, studying, and writing.

It's not about the coffee.

It ' s not all about coffee intake though as other lifestyle factors such as smoking or non-smoking and fruit and vegetable intakes have an impact on health risks too. Is coffee healthy then? The way coffee is made seems to have a big impact on how healthy it is. Different beans, ways of roasting and brewing can certainly vary the caffeine content.

of a great company. Interwoven with anecdotes and a personal memoir, the message of It ' s Not About the Coffee – that companies exist to further the dreams of compatible individuals, and not the other way around – is clear, poignant and profound. No matter what the industry, no matter what the company, when it becomes more about the product than the people, you ' re sunk.

During his many years as a senior executive at Starbucks, Howard Behar helped establish the Starbucks culture, which stresses people over profits. He coached hundreds of leaders at every level and helped the company grow into a world-renowned brand. Now he reveals the ten principles that guided his leadership-and not one of them is about coffee. Behar shows that if you think of your staff as people (not labor costs) they will achieve amazing results. He discusses the importance of building trust, telling hard truths, thinking independently, and more. And he shares inside stories of key turning points for Starbucks, as it fought to hang on to its culture while growing exponentially.

A Starbucks executive reveals how to draw on the successful coffee-house chain's examples in order to promote business success, sharing inside stories about key turning points in Starbucks' history to illustrate how the company came to embrace its philosophy about putting people ahead of profits.

Leadership.

Underground café that's been serving carefully brewed coffee for over a hundred years. Local legend says that this shop offers its customers something else besides coffee—the chance to travel back in time. The rules, however, are far from simple: you must sit in one particular seat, and you can't venture outside the café, nor can you change the present. And, most important, you only have the time it takes to drink a hot cup of coffee—or risk getting stuck forever. Over the course of one summer, four customers visit the café in the hopes of traveling to another time: a heartbroken lover looking for closure, a nurse with a mysterious letter from her husband, a waitress hoping to say one last goodbye and a mother whose child she may never get the chance to know. Heartwarming, wistful and delightfully quirky, *Before the Coffee Gets Cold* explores the intersecting lives of four women who come together in one extraordinary café, where the service may not be quick, but the opportunities are endless.

This fully-illustrated, highly-informative, and fun primer presents a whole new way to know and enjoy any type of coffee. In the same format as the highly-praised *Wine Isn't Rocket Science*. Rocket science is complicated, coffee doesn't have to be! With information presented in an easy, illustrated style, and chock-full of the fool-proof and reliable knowledge of a seasoned barista, *COFFEE ISN'T ROCKET SCIENCE* is the guide you always wished existed. From how coffee beans are grown, harvested and turned into coffee, the history and flavor profiles of beans from every country, making pour-overs, cold brew, and latte art, and the cultural practices of drinking coffee around the world, this book explains it all in the simplest way possible. All information is illustrated in charming and informative four-color drawings that explain concepts at a glance.

A history of coffee from the sixth century to Starbucks that 's " good to the last sentence " (Las Cruces Sun News). One of Library Journal ' s " Best Business Books " This updated edition of The Coffee Book is jammed full of facts, figures, cartoons, and commentary covering coffee from its first use in Ethiopia in the sixth century to the rise of Starbucks and the emergence of Fair Trade coffee in the twenty-first. The book explores the process of cultivation, harvesting, and roasting from bean to cup; surveys the social history of café society from the first coffeehouses in Constantinople to beatnik havens in Berkeley and Greenwich Village; and tells the dramatic tale of high-stakes international trade and speculation for a product that can make or break entire national economies. It also examines the industry ' s major players, revealing the damage that ' s been done to farmers, laborers, and the environment by mass cultivation—and explores the growing " conscious coffee " market. " Drawing on sources ranging from Molière and beatnik cartoonists to the Food and Agriculture Organization, the authors describe the beverage ' s long and colorful rise to ubiquity. " —The Economist " Most stimulating. " —The Baltimore Sun

Deepen your coffee knowledge, experiment with different beans, methods, and flavors, and become a barista at home with The Coffee Book and its 70 recipes. Discover the origins of coffee and its production before exploring over 40 country profiles, showcasing the incredible variety of beans grown around the world. Appreciate the nuances of flavor from bean to bean using the taster's wheel to identify different flavors and understand which notes complement one another. Master different roasting, grinding, tamping and brewing techniques, plus the equipment needed.

Experiment with some 70 recipes, ranging from café culture classics, such as the Americano, to more adventurous flavor combinations like the Almond Fig Latte or the Hazelnut Frappé as well as non-dairy milk alternatives.

Looking for Inspiration? Are you wondering if there's more to this life than the next Netflix special? Well...you're in the right place. Because I wrote this book for you. This is a 30 day devotional. But it's not theology. It won't cure a disease or get you into heaven. I'm not a theologian, preacher, teacher, or any one else with qualifications to write such a thing. This book isn't for baptists, methodists, catholics, calvinists, dunkers, or sprinklers. It's for misfits, pill heads, lawyers, prostitutes, junkies, manic depressives, shut-ins, zealots, anarchists, tax-collectors, thieves, and insomniacs. In other words, it's not for those that have it all figured out. It's for the rest of us. The ones looking and searching. The ones that know HOPE is the most dangerous idea of all. So sit back...Relax...And DRINK THIS BOOK WHILE READING YOUR MORNING COFFEE

If you want to know how to brew the ultimate cup of coffee in the comfort of your own home (and save some money too!), then you want to read this book. You see, making great coffee boils down to doing a number of little things right, such as selecting the right beans and roasts, and creating the right blends; using the right coffee machine and grinder; using the right amount of grounds; brewing at correct temperatures and for the right amount of time; and more. If all that sounds complicated to you, don't worry--this book breaks it all down and teaches you, step by step, everything you need to know to brew heavenly cups of coffee that are the hallmark of true coffee maestros. In this book, you'll learn things like... How to pick the right coffee machine and

Access Free Its Not About The Coffee Lessons On Putting People First From A

get the most bang for your buck, regardless of your budget. (Please don't buy a drip brewer before reading this chapter!) Everything you need to know about coffee beans to master the art of creating incredible blends that create rich, complex coffee. You'll be blown away by how much better your coffee will be when you use this information. Why you should seriously consider getting a coffee grinder, and which types are the best for making coffee. The step-by-step, no-fail method of brewing sweet, decadent coffee every time. Say goodbye to coffee that's too weak or strong or bitter, and say hello sweet, aromatic indulgences. 30 delicious coffee recipes including classics that are to die for, espresso drinks that every coffee lover should try, holiday drinks that will make you cheer, and dessert drinks that are like heaven in a cup. And more... Brewing mouth-watering coffee and making your favorite coffee drinks are a breeze after reading this book! Scroll up and click the "Buy" button now to learn how to make coffee so good that your friends and family will rave.

If coffee is the foundation of your food pyramid, then this is your book. Inspired by Ryoko Iwata's popular Web site, I Love Coffee (en.ilovecoffee.jp), Coffee Gives Me Superpowers is overflowing with infographics and fun, interesting facts about the most awesome beverage on earth written by Ryoko, a Japanese coffee-lover living in Seattle. The book includes the most popular pieces on the site, such as "Your Brain on Beer vs. Coffee," "10 Coffee Myths," "The Best Time of Day to Drink Coffee (According to Science)," and "10 Things You Probably Didn't Know about Caffeine," plus 25 percent new, original material that is available only in this book.
