Jackie Robinson And The Story

The Jackie Robinson Story is a 1950 biographical film directed by Alfred E. Green and starring Jackie Robinson as himself. The film focuses on Robinson's struggle with the abuse of bigots as he becomes the first African-American Major League Baseball player of the modern era. The film is among the list of films in the public domain in the United States. However a new copyrighted "restored and in color" version was released in conjunction with the Jackie Robinson Foundation in 2008.

illus. in full color with black-and-white photos. "Covers not only the story of Robinson's prowess and his problems as the first black man to play in the major leagues, but also the story of the rise and fall of black baseball and some of its star players and managers. Nicely geared by vocabulary, sentence length, and print size to the primary grades audience."--Bulletin, Center for Children's Books.

As the first African American player in major league base-ball, Jackie Robinson had the eyes of the nation upon him. The pressure was incredible; not only did he constantly face prejudice--from ignorant fans, malicious players, and even bigoted sportswriters--but he also carried the hopes and expectations of all those who were rooting for him. Most mortals would have been crushed, but Jackie Robinson was no ordinary man. Maintaining both his dignity and calm while under attack, Robinson handled the stress heroically and delivered top-notch performance. His first year he batted .297, was chosen to be Rookie of the Year, and two years later, he was voted the league's MVP. Not surprisingly, there has been plenty of media coverage on such an iconic and groundbreaking player, but in Jackie Robinson: My Own Story, Robinson's experiences both on and off the field are presented in his own words. This account (as told to the veteran sports writer Wendell Smith) was written soon after Robinson's first year in the majors. It helps us understand the forces that influenced this much admired superstar as well as gives us insight into what it was like to live and perform under unfathomable pressure. Jackie Robinson has left an indelible mark on baseball history. In fact, his jersey, number 42, is the only number to be retired for all teams in the majors. For any baseball fan interested in one of the game's true greats, both on the field and off, Jackie Robinson: My Own Story is an engaging must-read.

The bestselling autobiography of American baseball and civil rights legend Jackie Robinson Before Barry Bonds, before Reggie Jackson, before Hank Aaron, baseball's stars had one undeniable trait in

common: they were all white. In 1947, Jackie Robinson broke that barrier, striking a crucial blow for racial equality and changing the world of sports forever. *I Never Had It Made* is Robinson's own candid, hard-hitting account of what it took to become the first black man in history to play in the major leagues. *I Never Had It Made* recalls Robinson's early years and influences: his time at UCLA, where he became the school's first four-letter athlete; his army stint during World War II, when he challenged Jim Crow laws and narrowly escaped court martial; his years of frustration, on and off the field, with the Negro Leagues; and finally that fateful day when Branch Rickey of the Brooklyn Dodgers proposed what became known as the "Noble Experiment"—Robinson would step up to bat to integrate and revolutionize baseball. More than a baseball story, *I Never Had It Made* also reveals the highs and lows of Robinson's life after baseball. He recounts his political aspirations and civil rights activism; his friendships with Martin Luther King, Jr., Malcolm X, William Buckley, Jr., and Nelson Rockefeller; and his troubled relationship with his son, Jackie, Jr. *I Never Had It Made* endures as an inspiring story of a man whose heroism extended well beyond the playing field.

Jackie Robinson, Branch Rickey, and the hidden hand of God that changed history Journalist and baseball lover Ed Henry reveals for the first time the backstory of faith that guided Jackie Robinson into not only the baseball record books but the annals of civil rights advancement as well. Through recently discovered sermons, interviews with Robinson's family and friends, and even an unpublished book by the player himself, Henry details a side of Jackie's humanity that few have taken the time to see. Branch Rickey, the famed owner who risked it all by signing Jackie to his first contract, is also shown as a complex individual who wanted nothing more than to make his God-fearing mother proud of him. Few know the level at which Rickey struggled with his decision, only moving forward after a private meeting with a minister he'd just

met. It turns out Rickey was not as certain about signing Robinson as historians have always assumed. With many baseball stories to enthrall even the most ardent enthusiast, Faith also digs deep into why Jackie was the man he was and what both drove him and challenged him after his retirement. From his early years before baseball, to his time with Rickey and the Dodgers, to his failing health in his final years, we see a man of faith that few have recognized. This book will add a whole new dimension to Robinson's already awe-inspiring legacy. Yes, Jackie and Branch are both still heroes long after their deaths. Now, we learn more fully than ever before, there was an assist from God too.

A chronicle of the 1947 baseball season in which Jackie Robinson broke the race barrier is a sixtieth anniversary tribute based on interviews with Robinson's wife, daughter, and teammates that covers such topics as his relationship with fellow players, the St. Louis Cardinals' proposed boycott of the Dodgers, and Robinson's association with segregated hotel roommate and sportswriter Wendell Smith. Reprint. 40,000 first printing.

As a testament to his courage, Jackie Robinson's daughter shares memories of him, from his baseball career to the day he tests the ice for her, her brothers, and their friends.

The extraordinary life of Jackie Robinson is illuminated as never before in this full-scale biography by Arnold Rampersad, who was chosen by Jack's widow, Rachel, to tell her husband's story, and was given unprecedented access to his private papers. We are brought closer than we have ever been to the great ballplayer, a man of courage and quality who became a pivotal figure in the areas of race and civil rights. Born in the rural South, the son of a sharecropper, Robinson was reared in southern California. We see him blossom there as a student-athlete as he struggled against poverty and racism to uphold the beliefs instilled in him by his mother--faith in family,

Download File PDF Jackie Robinson And The Story Of All Black Baseball Step Into

education, America, and God. We follow Robinson through World War II, when, in the first wave of racial integration in the armed forces, he was commissioned as an officer, then court-martialed after refusing to move to the back of a bus. After he plays in the Negro National League, we watch the opening of an all-American drama as, late in 1945, Branch Rickey of the Brooklyn Dodgers recognized Jack as the right player to break baseball's color barrier--and the game was forever changed. Jack's never-before-published letters open up his relationship with his family, especially his wife, Rachel, whom he married just as his perilous venture of integrating baseball began. Her memories are a major resource of the narrative as we learn about the severe harassment Robinson endured from teammates and opponents alike; about death threats and exclusion; about joy and remarkable success. We watch his courageous response to abuse, first as a stoic endurer, then as a fighter who epitomized courage and defiance. We see his growing friendship with white players like Pee Wee Reese and the black teammates who followed in his footsteps, and his embrace by Brooklyn's fans. We follow his blazing career: 1947, Rookie of the Year; 1949, Most Valuable Player; six pennants in ten seasons, and 1962, induction into the Hall of Fame. But sports were merely one aspect of his life. We see his business ventures, his leading role in the community, his early support of Martin Luther King Jr., his commitment to the civil rights movement at a crucial stage in its evolution; his controversial associations with Eisenhower, Kennedy, Nixon, Humphrey, Goldwater, Nelson Rockefeller, and Malcolm X. Rampersad's magnificent biography leaves us with an indelible image of a principled man who was passionate in his loyalties and opinions: a baseball player who could focus a crowd's attention as no one before or since; an activist at the crossroads of his people's struggle; a dedicated family man whose last years were plagued by illness and tragedy, and who died prematurely at fifty-two. He was a pathfinder, an American hero, and he now has the biography he deserves.

Chronicles the spectacular career of Jackie Robinson, both on and off the baseball diamond, as the Dodger outfielder became the first Black player in professional baseball.

'How did you let a black man take your job?' This is the question I've been asked more times than I care to admit. And despite its inherent prejudice, its misunderstanding of history, its naiveté, I'm compelled to respond. My name is Ed Stevens. In baseball circles I was known as Big Ed Stevens, and I played first base for the Brooklyn Dodgers in 1945, '46, and '47. I was the first man to be replaced by a black player in the history of Major League Baseball. This is a story about the Brooklyn Dodgers, and a secret I have kept for over fifty years. 'Ed Stevens was a good teammate and an even better friend. You will find his story very interesting. Ed found himself in a spot, and I think you will enjoy reading his account of what happened and his role in this historic transformation of baseball.' Tom Lasorda Special Advisor to the Chairman Los Angeles Dodgers Ed Stevens played first base for the Brooklyn Dodgers from 1945-1947. After that fateful '47 season, he was traded to the Pittsburgh Pirates, where he played from 1948-1950. After finishing out his career in Toronto, he served as a major league scout for twenty-nine years. Ed was later elected to the Brooklyn Dodger Hall of Fame, the International League Hall of Fame, and the Baton Rouge Louisiana Kids Clinic Hall of Fame, where he served for forty years as a baseball instructor along with Mel Ott, Dizzy Dean, Ted Williams, Stan Musial, and Mickey Mantle.

"When Jackie Robinson first put on a Brooklyn Dodgers uniform in 1947, he knew he was facing one of the toughest tests of his life ... Faced with hateful insults from the public and even some from his teammates, could Jackie rise to the challenge? Could he prove that his skills on the field, not the color of his skin, was what matter
