"Enjoying pain with your pleasure is something you either get, or you don't. If you get it, then you don't really need it explained, because you know how good it feels, and if you don't get it then no amount of talking is going to convince you it makes sense." But sometimes you have to explain the unexplainable, especially if the love of your life needs to understand, or she'll leave you. Jason Schuyler is one of Anita Blake's best friends and favorite werewolves, with benefits. J.J. is his lady love, an old flame from childhood who dances at one of the top ballet companies in New York. She's accomplished, beautiful, and she's crazy about him, too. Neither of them wants to be monogamous, so what could go wrong? J.J. is enthusiastically bisexual, with an emphasis on the female side of things. She plans to keep sleeping with women, because Jason can't meet that need, just like she can't meet Jason's need for rough sex and bondage. J.J. doesn't understand why Jason isn't content to go elsewhere for a need she can't fulfil, so Jason asks Anita to help him explain. Anita is having her own relationship growing pains with her only female lover ever, Jade. Jason suggests that J.J. might be able to help Anita with her girl problem, while she helps him with his kinky explanations. With some encouragement from a few other lovers in Anita's life she reluctantly agrees, and J. J. makes plans to fly into town for an experience that none of them will ever forget.

When vampire hunter Anita Blake agrees to do a favor for Jason, her werewolf lover, she becomes caught up in the middle of a scandal that makes her a pawn in an ancient vampire queen's rise to power.

When her independent reputation is compromised by her engagement to master vampire Jean-Claude, Anita takes an assignment from the FBI to track down a practitioner of dark voodoo who is victimizing women.

Rafael, king of the wererats, must fight to the death to defend his crown. He wants Anita Blake, one of his closest allies, with him as he faces an opponent unlike any he's faced before. He will ask Anita to risk everything to be at his side.... But some of the wererats fear that Rafael depends too much on Anita and her ties to the vampires. They believe that there is only room in America for one supernatural king, and Rafael will turn them into nothing more than food for the bloodsuckers. Among his enemies, a new challenger has arisen who is younger, hungrier, and has dark secrets that could destroy both the wererats and the vampires. Rafael will go into the magical heart of his people to find the power and violence that he needs to save them all, or die trying.

Hired to exhume two-hundred-year-old graves in the wake of a land dispute, Anita Blake becomes involved in local murders involving three dead teenagers and a bloodless corpse that makes her suspect that an evil force is preying upon the town

U.S. Marshal Anita Blake must rescue a teenage girl who has been abducted by an ordinary group of people who turn out to be newly-turned vampires.

Watch a video The music came back up and the next group of little girls, slightly older, came out. There was a lot of that in the next hour and change. I liked dance, and it was no reflection on the kids, but my will to live began to seep away on about the fifth group of sequined children... Anita Blake is back in St. Louis and trying to live a normal life-as normal as possible for someone who is a legal vampire executioner and a U. S. Marshal. There are lovers, friends and their children, school programs to attend. In the midst of all the ordinary happiness a vampire from Anita's past reaches out. She was supposed to be dead, killed in an explosion,

but the Mother of All Darkness is the first vampire, their dark creator. It's hard to kill a god. This dark goddess has reached out to her here-in St. Louis, home of everyone Anita loves most. The Mother of All Darkness has decided she has to act now or never, to control Anita, and all the vampires in America. The Mother of All Darkness believes that the triumvirate created by master vampire Jean-Claude with Anita and the werewolf Richard Zeeman has enough power for her to regain a body and to immigrate to the New World. But the body she wants to possess is already taken. Anita is about to learn a whole new meaning to sharing her body, one that has nothing to do with the bedroom. And if the Mother of All Darkness can't succeed in taking over Anita's body for herself, she means to see that no one else has the use of it, ever again. Even Belle Morte, not always a friend to Anita, has sent word: "Run if you can..."

Anita uses her familiarity with zombies to investigate why Micah's father is dying from an inexplicable flesh-rotting disease, in the latest novel of the number one New York Times best-selling series following *Kiss the Dead*. Reprint.

Anita's vampire servant, Damian, is being bombarded with violent nightmares and blood sweats. He's at his most vulnerable just when Anita needs him the most. The vampire who created him -- who subjected him to centuries of torture -- might be losing control, allowing rogue vampires to run wild and break one of their kind's few strict taboos. When Anita joins forces with her friend Edward to stop the carnage, Damian will be at their side, even if it means traveling back to the land where all his nightmares spring from ... a place that couldn't be less welcoming to a vampire, an assassin, and a necromancer: Ireland.
