"Jewelry Making For Beginners" is a text that not only highlights the basics of making various types of jewelry, it also goes just a bit further into the process without making it overwhelming for the beginner. The aim that the author has with this text is to inform and educate and make the overall process as easy as possible to execute. The individual that has no concept at all of what jewelry making entails can read the text and not only get an overview of the jewelry making process but also get a bit of insight on the various processes that one can focus on be it using metal or beads or gems and stones. This book is a great source of reference for any hobbyist with an interest in making jewelry in their spare time or someone who has a creative side and has an interest in earning an income from making jewelry. The book is a great place to start to achieve that goal of creating great piece of wearable art. Of course this text will not appeal to everyone as not all are interested in using their hands or creativity to make something but for those who are it works.

The first thing you need to consider before you begin the process of learning how to make costume jewelry is what type you wish to make. The best way of determining what style of jewelry you want to make is to look through various magazines and see what's on offer in stores locally. It's also a good idea to gain inspiration for your costume jewelry designs by visiting museums or art galleries. You may even gain inspiration for your designs when out for a walk.

Suitable for any fan of jewellery made from wire and beads, this title presents a collection of beautiful pieces in a variety of styles. It helps to learn how to combine beads with simple and intricate chain designs, and how to create elegant finishing touches by bringing in tiny shells, leather and delicate ribbon.
