A biblical, clear, cogent, accessible, comprehensive, and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years.

A biblical, clear, cogent, accessible, comprehensive, and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years.

Beginning students of theology and church leaders looking for a theological refresher or teaching tool will welcome this remarkably clear introduction to the doctrines of Scripture. In an almost conversational style, *Salvation Belongs to the Lord* explores all the major biblical truths, explains key terms of systematic theology, and reflects on their implications and connections under the lordship of Christ.

Download Free John Frame Systematic Theology

Readers familiar with Frame's analysis of historic doctrines and current questions will welcome this long-awaited second installment in the Theology of Lordship series. Here he examines the attributes, acts, and names of God in connection with a full spectrum of relevant theological, ethical, and spiritual issues.

'The Word of God' is a multi-faceted concept. God speaks but Word is one of Jesus's names. God's personal communications take other forms, through prophets, apostles, and the written Word. Frame investigates them all. --from publisher description

This succinct volume consists of three lectures examining the nature, media, and application of God's word. With the insight and care that have come to typify his writing, John M. Frame develops fresh applications of ideas set forth in his acclaimed work *The Doctrine of the Knowledge of God*. In addition, he offers a preview of (and invites feedback on) the central theses to be discussed in two forthcoming volumes in his *Theology of Lordship* series - *The Doctrine of the Word of God* and *The Doctrine of the Christian Life*. Those looking for a concise presentation of Frame's "Perspectival" approach will also find it here. Topics include:

LECTURE ONE: THE NATURE OF THE WORD OF GOD
LECTURE TWO: THE MEDIA OF THE WORD OF GOD Diverse Kinds of Media 1. Event -Media 2. Word-Media 3. Person-Media
The Unity of the Word of God The Word of God and the Knowledge of God
LECTURE THREE: THE WORD OF GOD AND CHRISTIAN ETHICS Three Secular Ethical Philosophies 1. Existential Ethics 2. Teleological Ethics 3. Deontological Ethics
Mixed Secular Approaches Christian Ethics 1. The Existential Perspective 2. The Situational Perspective 3. The Normative Perspective
Some Applications

Frame explores our relationship with God as a knowing

Download Free John Frame Systematic Theology

relationship. He writes, "We tend to forget how often in Scripture God performs His mighty acts so that men will 'know' that He is Lord." He thus examines our knowledge of God as it relates to our knowledge of ourselves and of the world in which we live.

Reflecting his conviction that theology is the application of Scripture to life in all situations, Frame combines trenchant analysis of theological, apologetical, and epistemological issues with refreshingly practical insights for living in the knowledge of God. -- Publisher's description.

John Frame gives us an accessible introduction to "triperspectival" study-where theological issues are fruitfully viewed from multiple perspectives without compromise to their unity and truth. Book jacket.

This comprehensive systematic theology by respected theologian Robert Letham covers the whole field of Reformed Christian doctrine from biblical, historical, and theological angles. Letham begins with God's ultimate self-revelation as the Father, the Son, and the Holy Spirit in indivisible union, continuing on with the works of God in creation, providence, and grace. He draws deeply from Scripture and important voices from the church to provide a clear and concise articulation of the Reformed faith. He also addresses current issues such as feminism, charismatic gifts, sexual ethics, environmentalism, other religions, the nature of truth, and civil liberties. Each chapter is followed by discussion questions, with a glossary of terms included at the end. This work grounds theological understanding and practice in the life and ministry of the church, accessible to pastors, students, scholars, and anyone who desires to understand, believe, and live scriptural doctrine more fully.

The third volume of Frame's Theology of Lordship series, this book focuses on biblical ethics. In an age of ethical relativism and

Download Free John Frame Systematic Theology

suspicion of authority, how can we know what is good, virtuous, or just? Frame surveys non-Christian ethical traditions before setting forth a solidly Christian ethical method. By clarifying biblical norms, life situations, and personal dimensions, he presents a model for decision making that honors God in all aspects of life.

Discussions range from natural law and conflict of duties to detailed explorations of the Ten Commandments in connection with questions surrounding worship, the Sabbath, church and state, respect for life and truth, sexuality, and the relation of Christ to culture.
