Rushdie used "Joseph Anton" as a pseudonym while in hiding following the fatwa that had been issued by Ayatollah Khomeini, the spiritual and political leader of the Islamic Republic of Iran, in the midst of criticism by some Muslims and a widespread controversy over Rushdie's novel The Satanic Verses (1988). He chose the name to honor the writers Joseph Conrad and Anton Chekhov. Rushdie was ...

Joseph Anton: A Memoir - Wikipedia

Joseph Anton is the story of Salman Rushdie's life during the fatwa, as defined by the years in which the British Police insisted his life needed Special Branch protection. The name Joseph Anton is one the police forced him to invent and use for his own protection. To be addressed as Joe in his own home always disconcerted him.

Joseph Anton: A Memoir by Salman Rushdie - Goodreads

Early in Joseph Anton Salman Rushdie contrasts the Christian poles of Guilt and Redemption with the Islamic ones of Honour and Shame, and indeed this memoir of a cultural Muslim is not short of examples of the latter.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY San Francisco Chronicle □ Newsweek/The Daily Beast □ The Seattle Times □ The Economist □ Kansas City Star □ BookPage On February 14, 1989, Valentine's Day, Salman Rushdie was telephoned by a BBC journalist and told that he had been "sentenced to death" by the Ayatollah Khomeini. For the first time he heard the word fatwa. His crime? To have written a novel called *The Satanic Verses*, which was accused of being "against Islam, the Prophet and the Quran." So begins the extraordinary story of how a writer was forced underground, moving from house to house, with the constant presence of an armed police protection team. He was asked to choose an alias that the police could call him by. He thought of writers he loved and combinations of their names; then it came to him: Conrad and Chekhov—Joseph Anton. How do a writer and his family live with the threat of murder for more than nine years? How does he go on working? How does he fall in and out of love? How does despair shape his thoughts and actions, how and why does he stumble, how does he learn to fight back? In this remarkable memoir Rushdie tells that story for the first time; the story of one of the crucial battles, in our time, for freedom of speech. He talks about the sometimes grim, sometimes comic realities of living with armed policemen, and of the close bonds he formed with his protectors; of his struggle for support and understanding from governments, intelligence chiefs, publishers, journalists, and fellow writers; and of how he regained his freedom. It is a book of exceptional frankness and honesty, compelling, provocative, moving, and of vital importance. Because what happened to Salman Rushdie was the first act of a drama that is still unfolding somewhere in the world every day. Praise for *Joseph Anton* "A harrowing, deeply felt and revealing document: an autobiographical mirror of the big, philosophical preoccupations that have animated Mr. Rushdie's work throughout his career."—Michiko Kakutani, *The New York Times* "A splendid book, the finest . . . memoir to cross my desk in many a year."—Jonathan Yardley, *The Washington Post* "Thoughtful and astute . . . an important book."—USA Today "Compelling, affecting . . . demonstrates Mr. Rushdie's ability as a stylist and storyteller. . . . [He] reacted with great bravery and even heroism."—*The Wall Street Journal* "Gripping, moving and entertaining . . . nothing like it has ever been written."—*The Independent (UK)* "A thriller, an epic, a political essay, a love story, an ode to liberty."—*Le Point (France)* "Action-packed . . . in a literary class by itself . . . Like Isherwood, Rushdie's eye is a camera lens —firmly placed in one perspective and never out of focus."—*Los Angeles Review of Books* "Unflinchingly honest . . . an engrossing, exciting, revealing and often shocking book."—*de Volkskrant (The Netherlands)* "One of the best memoirs you may ever read."—DNA (India) "Extraordinary . . . Joseph Anton beautifully modulates between . . . moments of accidental hilarity, and the higher purpose Rushdie saw in opposing—at all costs—any curtailment on a writer's freedom."—*The Boston Globe*

On February 14, 1986, Valentine's Day, Salman Rushdie was telephoned by a BBC journalist and told that he had been "sentenced to death" by the Ayatollah Khomeini, a voice reaching across the world from Iran to kill him in his own country. For the first time he heard the word fatwa. His crime? To have written a novel called *The Satanic Verses*, which was accused of being "against Islam, the Prophet, and the Quran." So begins the extraordinary, often harrowing story—filled too with surreal and funny moments—of how a writer was forced underground, moved from house to house, an armed police protection team living with him at all times for more than nine years. He was asked to choose an alias that the police could call him by. He thought of writers he loved and combinations of their names; then it came to him: Conrad and Chekhov—Joseph Anton. He became "Joe." How do a writer and his young family live day by day with the threat of murder for so long? How do you go on working? How do you keep love and joy alive? How does despair shape your thoughts and actions, how and why do you stumble, how do you learn to fight for survival? In this remarkable memoir, Rushdie tells that story for the first time. He talks about the sometimes grim, sometimes comic realities of living with armed policemen, and of the close bonds he formed with his protectors; of his struggle for support and understanding from governments, intelligence chiefs, publishers, journalists, and fellow writers; of friendships (literary and otherwise) and love; and of how he regained his freedom. This is a book of exceptional frankness and honesty, compelling, moving, provocative, not only captivating as a revelatory memoir but of vital importance in its political insight and wisdom. Because it is also a story of today's battle for intellectual liberty; of why literature matters; and of a man's refusal to be silenced in the face of state-sponsored terrorism. And because we now know that what happened to Salman Rushdie was the first act of a drama that would rock the whole world on September 11th and is still unfolding somewhere every day.

From the author of *The Satanic Verses* and *Midnight's Children* comes an unflinchingly honest and fiercely funny account of a life turned upside-down. On Valentine's Day, 1989, Salman Rushdie received a telephone call from a BBC journalist that would change his life forever: Ayatollah Khomeini, a leading Muslim scholar, had issued him with a death sentence. This is his own account of how he was forced to live in hiding for over a decade; at once intimate and explosive, this is the personal tale behind the international story. How does a man live with the constant threat of murder? How does he continue to work when deprived of his freedom? How does he sustain friendships, or fall in and out of love? How does he fight back? For over a decade, Salman Rushdie dwelt in a world of secrecy and disguise, a world of security guards and armoured cars, of aliases and code names. In *Joseph Anton*, Rushdie tells the remarkable story of one of the crucial battles, in our time, for freedom of speech. Shortlisted for the James Tait Black Biography Prize

At the peak of his career in Cincinnati, Ohio, German-American Joseph A. Hemann provided details for his biographical sketch published in 1876. From this we learn of his early life as a student, his Atlantic crossing to Baltimore, his journey across the Alleghenies, his first teaching job, meeting his life-long mate, becoming a newspaper publisher and finally a banker. He was socially active in the Queen City of the West for almost forty years until a devastating sequence of events drove him out of town. This publication provides both genealogical facts and an expanded biography of Hemann's life as a German immigrant and successful business man in Cincinnati before, during, and after the Civil War. In Section Four, the 19th century German language newspapers of Cincinnati are summarized including graphical images of the mastheads.

In *The Book on Happiness Bô Yin Râ* guides the reader to a new and deeper understanding of the spiritual laws at the root of happiness. He stresses the importance of finding happiness in this life; it is happiness that gives life its meaning and lifts it out of drudgery and pain. Happiness here on earth is the basis for happiness in life beyond. Bô Yin Râ defines happiness as the joy that comes from creative endeavor whether through work, the building of a loving relationship or, most fulfilling of all, the development of one's inner self. Happiness is not given to us by luck or fate; rather, it must be actively sought and forged out of whatever circumstances life gives us—even the most difficult. We must turn our thoughts to beauty, strength and soundness, transforming ourselves into "solid optimists" so that we become magnets of good fortune. Creating

Where To Download Joseph Anton

happiness is our moral duty: It is a responsibility we have to both ourselves and others. Since we are part of a greater web of life, everything we do as individuals affects the balance of the whole world. As more people develop their capacity for happiness, the waves of their cumulative energy go forth to renew all humanity. E.W.S., Publisher The Kober Press's translations of the books of Bô Yin Râ are the only English translations authorized by the Kober Verlag, Switzerland. The Kober Verlag publishes the books of Bô Yin Râ in the original German and has protected their integrity since Bô Yin Râ's lifetime. Contents: Prelude. Creating Happiness as Moral Duty. "I and "You." Love. Wealth and Poverty. Money. Optimism. Conclusion

The explosion of a jetliner over India triggers an Apocalyptic battle that sweeps across the subcontinent. Reprint.

Beginning in the late '60s, hundreds of thousands of Westerners descended upon India, disciples of a cultural revolution that proclaimed that the magic and mystery missing from their lives was to be found in the East. An Indian writer who has also lived in England and the United States, Gita Mehta was ideally placed to observe the spectacle of European and American "pilgrims" interacting with their hosts. When she finally recorded her razor sharp observations in Karma Cola, the book became an instant classic for describing, in merciless detail, what happens when the traditions of an ancient and longlived society are turned into commodities and sold to those who don't understand them. In the dazzling prose that has become her trademark, Mehta skewers the entire Spectrum of seekers: The Beatles, homeless students, Hollywood rich kids in detox, British guilt-trippers, and more. In doing so, she also reveals the devastating byproducts that the Westerners brought to the villages of rural India -- high anxiety and drug addiction among them. Brilliantly irreverent, Karma Cola displays Gita Mehta's gift for weaving old and new, common and bizarre, history and current events into a seamless and colorful narrative that is at once witty, shocking, and poignant.
