It takes a village...to ruin a perfectly good love story. Former SEAL Brian “ Mad Dog ” Sheppard might look like a gentle giant to some, but there's a very good reason for his call name. Threaten someone he cares about and he'll stop at nothing to protect them. That includes his new team of fellow SEALs. They ' re all about creating a safe haven for vets trying to readjust to civilian life. Everyone agrees it ' s a great idea, but there are those who would much rather they take their good deeds somewhere else—preferably far away from the sleepy mountain town of Sumneyville. Kate Handelman is friendly and down-to-earth with very strong ties to the community. While she ' s not a fan of gossip and firmly believes that actions speak louder than words, it ' s impossible to ignore all the rumors surrounding the mysterious and potentially dangerous group of men settling in just outside of town. When Mad Dog shows up at her dad ' s hardware store, the instant and powerful attraction is undeniable, but Kate ' s family already has other ideas—and he is definitely not part of their plan. As tensions escalate between the men of Sanctuary and local residents, hard lines are drawn. With their chemistry off the charts, will Kate choose her family? Or will she sacrifice everything to be with the man she loves? Shadow of Doubt is a small town, contemporary romance featuring former military heroes and light suspense.

Hard to kill. Even harder to love. Army Ranger Seth O ' Rourke is more than just a man. Inside him lives a beast who knows he can trust no one but himself to survive, and that it is his duty to protect those weaker than himself. When a selfless act of heroism leaves him dependent upon others, his world crumbles around him. The only spark of light in a world of darkness and pain is the woman who foolishly refuses to give up on him. Quinn Brennan is more

than just a woman. She has a rare and special gift: she can heal through touch. She knows she can trust no one with her secret because many will misunderstand and fear her powers. Seth is the exception. She ' s willing to risk everything for him, because the same ancient ancestry that provided her gift insists that he is the other half of her soul. When a tragic mishap puts her in the hospital, Quinn is forced to return to the only place she ' s ever felt accepted. Will her absence be the catalyst Seth needs to bring himself back into the light and save them both?

Gemmaline is special. The daughter of a powerful white witch, Gemma has a rare, covetable gift that many immortals would go to great lengths to control: she can harness the power of others and take it as her own. No one knows her secret; not even her beloved Viktor. And she intends to keep it that way, fearful that if he learns the truth, he may abandon her as her father did her mother. Gemma and Viktor's love is the stuff of legends. She wants nothing more than for them to be married and spend the rest of their days together in their small, peaceful village. But when a dark mage/vampire appears and threatens those she loves, Gemma has no choice. She must make the ultimate sacrifice and leave her home – and her beloved – to save them. Gemma is the center of Viktor's world. Nothing, not even learning the shocking truth about who and what she is, is going to stop him from getting her back. Even if that means he must become a vampire himself. Viktor believes their love is strong enough to overcome anything, even the loss of his mortal memories, and makes a sacrifice of his own. Five hundred years later, that belief is put to the ultimate test. But by the time they remember, it may already be too late. Can their love survive even death?

Dance with reckless abandon. Pet a snake. Get a tattoo. Have wild, hot sex with a gorgeous stranger. Recently divorced from her abusive husband, Celeste Harrison is creating a new life for herself, and hot Marine Zane Fagan is perfect for crossing at least one item off her bucket list. Celeste isn't Zane's usual type, but there's something about her that keeps him coming back for more. In addition to being sweet and incredibly sexy, she's smart and funny, and when he's with her, the demons that haunt him are quiet. It's all fun and games until the system fails and her ex tracks her down. Zane's prepared to go to any lengths to save her, but he might just destroy them both in the process

The gods of Olympus aren't gone. They're just more discreet than they used to be. On the outside, there is nothing remarkable about Ellie Cavannaugh. Of average height, average looks, she is sensible and wholly competent. But inside, she has the soul of a goddess. Nik Deimos is a god. The son of Ares and Aphrodite, his duplicitous nature often has mortals cowering in fear or writhing in lust. Except for his personal assistant, that is. She seems wholly unaffected. It intrigues him. The more he learns about Ellie, the more he is convinced she was meant to be his. There is only one problem: Ellie has already bound herself to another.

Derrick Wolfe has found his niche. As the reclusive owner of Wolfe Island, one of the most coveted vacation locales for the wealthy, he is exactly where he wants to be. Rich. Single. Successful. Alpha to his pack. What more could a Were want? When Angelica Xanthopoulos visits his island, he finds himself drawn to her in ways he never imagined. He tries to stay away, but something about her keeps him coming back for more. She's so different. So intoxicating. So

Bookmark File PDF Just For Him A Cerasino Family Novella Cerasino Family

intriguing. Yet she does nothing to warrant his infatuation. In fact, to everyone outside of his pack, it's almost like she's invisible. When tragedy strikes, Derrick finds himself with a dilemma. With Weres disappearing and an inexplicable need for a woman he barely knows, Derrick sees a change on the horizon. One that will ultimately claim him and tilt his carefully built world on its axis.

Remember Newton ' s Third Law: For every action, there is an equal and opposite reaction. If someone moves forward in time, someone else must go back. Start sweet with Book 1: Maiden in Manhattan When 15th century Scottish maiden Isobelle McKenna made that prayer, she never expected to find herself thrown into 21st century New York City, right in the path of a cross-town bus. Good thing EMT Nick Peterson just happened to be in the right place at the right time And follow up with sassy in book 2: Raising Hell in the Highlands Aislinn McKenna is a survivor, but simply surviving isn't always enough. When she made a Christmas wish, she never expected to wake up in the middle of a clan skirmish in the Scottish highlands, nor to fall for the braw Laird Lachlan Brodie.

A time when deception leads to truth, and victory comes from surrender... The life of a rogue isn ' t always easy, especially for a woman. But Brighid isn ' t just any woman. She ' s intelligent, agile, and spirited – and determined to discover the secrets of her questionable past. Her only clue is a pendant in the shape of a black and silver dragon; the same design worn by the King ' s Guard. She ' s convinced her answer lies in the heart of the kingdom, and she ' s willing to do whatever it takes to get there. Even if it means chopping off her raven locks and binding her curvy, petite figure to refashion herself as a scruffy lad to join their ranks.

Knight Roran McShane ' s search for new recruits brings him to the far reaches of the kingdom. Only a select few prove worthy, but the pluck and determination of one particularly small but feisty lad moves Roran to do something he has never done before – take on a squire. The mute lad proves to be resourceful and skilled, even if he is rather odd and shunned by the others. Roran is forced to second-guess his decision when he begins to feel unnaturally protective of the boy. When his squire ' s deception is revealed, he is both relieved and appalled by the knowledge that he is really a she, and far from a child. Honor and ethics require that he sever all ties, but Roran soon learns that is easier said than done. The lass is no sheltered lady waiting to be rescued and before she ' s done, she ' ll surprise Roran, the knights-in-training, even the king himself. For a warrior ' s heart knows no bounds.

Every ancient legend begins with a grain of truth. Ceri always knew she was different. Seeing people's auras and being able to change the weather with her moods just isn't normal, nor does she understand why simply being around others saps her of her strength. There's no one she can turn to; who she is and where she comes from are the biggest mysteries of all. Settled into a small college town, she immerses herself in studies of the supernatural and lives a solitary existence. Until he crosses her path and comes to her rescue. After earning his master's in criminal justice, there's no plausible reason for Edan to stick around campus. There's only a feeling. A feeling of destiny and purpose that calls to his ancient Highland ancestry and keeps him right where he is. When he meets her, his purpose becomes clear. He can't explain it, but she needs him, and he'll go to great lengths to protect her. In their search for answers, Ceri and Edan learn there's a lot more to the world than either of

Bookmark File PDF Just For Him A Cerasino Family Novella Cerasino Family

them ever imagined. The lines between reality and myth blur as they discover ancient magic, hidden realms, and the truth about who – and what – they really are: pawns in a game that's been played for millennia. Will Ceri and Edan embrace the destinies that have already been written for them? Or will they sacrifice everything to be together? More Than Mortal is a stand-alone, Fae-based paranormal romance that will change everything you think you know about faeries.

A reference guide for the whos, whats, whens, and wheres of the first eight books in the popular Callaghan Brothers series. What's in the Callaghan Brothers Guide?
