(Music Sales America). This book has been specially created for any guitarist who wants to learn note reading, be they beginners or more advanced players who have neglected this part of their musicianship. It starts with the very basics of written music and progressively introduces notes on each string one at a time until all notes in the "open position" (first five frets) of the guitar have been mastered, and up to 8th note rhythm subdivisions have been learned and applied. Also covered are sharps, flats, key signatures, accidentals, repeats and more. Each step includes practical exercises, handy tips and tricks and a simple repertoire for students to put their reading skills into practice. Spiral open so it lays flat no matter what page you're on.

The Justinguitar.com Vintage Songbook is the latest addition to Justin Sandercoe's line of Songbooks. The book is a mixed folio publication, containing 50 songs, tutorials and tips.

One of the greatest collections of acoustic guitar songs, all in one book! The Great Acoustic Guitar Chord Songbook contains over 100 classic favourites, all authentically arranged for Guitar with full lyrics and chord boxes! As well as offering superb value for money, this is an absolute must-have for any working or busking guitarist's collection.

(Music Sales America). This book focuses on learning how to read (and play) rhythmic notation, an often overlooked part of learning how to read music and of great benefit to most guitarists. It is aimed at beginner to intermediate level and will help students to write, read and really understand rhythmic notation which has the added benefit of improving the students sense of rhythm and time in all aspects of their playing. This book contains an extensive series of gradually progressive practical exercises for students to work through and detailed lessons to help them make easy and solid progress to rhythm mastery! Spiral bound.
