An ancient Hindu text, "The Kama Sutra" is attributed to Vatsyayana- a Vedic philosopher of the Gupta Empire. The book offers advice on the practice of sexual intercourse, with additional passages about virtue, love, family, and other aspects of human life. It is arguably the world's most famous literary document concerning human sexuality.

When was the last time you tried something extraordinary in bed? Do you know what your spouse desires in bed, and can they tell what turns them on? Read on to know more... The hope is that this book will give you the tools you need to keep

again and never make the most of your orgasm! If you haven't already, try some of the things you learned from reading this book, and I assure you that your sex life will be much better. Click to buy now!

The Kamasutra is the oldest extant Hindu textbook of erotic love. About the art of living as well as about the positions in sexual intercourse, it is here newly translated into clear, vivid, sexually frank English together with three commentaries: excerpts from the earliest and most famous Sanskrit commentary (13th century), a twentieth-century Hindi commentary, and explanatory notes by the translators. The

edition is enhanced by a selection of colour plates from an early edition of the work.

"In this scholarly and superbly readable book, one of the world's foremost authorities on ancient Indian texts seeks to restore the Kamasutra to its proper place in the Sanskrit canon, as a landmark of India's secular literature. In investigating, and helping us understand, a much celebrated but under-appreciated text, Wendy Doniger has produced a rich and compelling text of her own that will interest, delight, and surprise scholars and lay readers alike"--

According to legend, the Kamasutra was created by the

Read Free Kamasutra

Indian god Shiva who, overwhelmed by the joys of sexual experience, wrote a servant a treatise on erotic art. Inspired by the original Kamasutra, this deck is meant to aid seekers in their own quest for enlightenment through the senses. Publisher Review: I feel I have to start this review by stating that this deck is filled with very explicit illustrations of couples involved in sexual relations. If that alone is a "deal breaker," you have no reason to continue with this review. Next, I'd like to look at the source text for this deck, the Kama Sutra. Many people talk of this book as having great spiritual value. They approach it as a key Tantric (a small part of Tantra involves

Read Free Kamasutra

spiritualized sexuality) text. Neither concept is true. It is far closer to what might be called a rule book for marriage. It is composed of seven sections, of which sections 3-6 are about how to get a wife, how a chief wife should act, how other wives should act and advice on how to become a courtesan. Section seven is about how to attract a partner and includes the closest thing to instructions on sexual magick found in the entire book. Section one, the introduction, introduces various Vedic spiritual concepts and may simply be slapped onto the book in order to give it some legitimacy. Indeed, at least one historian claims the entire book was a collection of other texts. The remaining

Read Free Kamasutra

section is the part of the book that is most famous. It includes numerous legalistic and dogmatic concepts on how to have sexual relations, some of which require a great deal of physical strength and agility. It also describes 64 types of sexual acts. I vividly remember getting a copy of this book when I was about 14 years old on a vacation in Palm Springs. I eagerly tried reading it and no matter how much I skipped, I couldn't help but find it stultifying, dated, and silly. That brings us to an overview of the art in this deck. As described in the deck attributes below, the Art School Vijai & Ram of Rajasthan have done an absolutely magnificent job of producing sexually explicit modern art in the

award-winning translators.

The Kama Sutra, is an ancient Indian Hindu text written by Vatsyayana. It is widely considered to be the standard work on human sexual behavior in Sanskrit literature. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms

You can still learn a lot to help you in your everyday romantic endeavors from this book. So what are you waiting for! This book is calling your name.

Read Free Kamasutra

The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama Shastra . Traditionally, the first transmission of Kama Shastra or "Discipline of Kama" is attributed to Nandi the sacred bull, Shiva's doorkeeper, who was moved to sacred utterance by overhearing the lovemaking of the god and his wife Parvati and later recorded his utterances for the benefit of mankind. Some Indian philosophies follow the "four main goals of life," known as the purusharthas: 1. Dharma: Virtuous living. 2. Artha: Material prosperity. 3. Kama: Aesthetic and erotic pleasure. 4. Moksha:

Read Free Kamasutra

Liberation. Dharma, Artha and Kama are aims of everyday life, while Moksha is release from the cycle of death and rebirth. The Kama Sutra (Burton translation) says: "Dharma is better than Artha, and Artha is better than Kama. But Artha should always be first practiced by the king for the livelihood of men is to be obtained from it only. Again, Kama being the occupation of public women, they should prefer it to the other two, and these are exceptions to the general rule." (Kama Sutra 1.2.14)
