Włodzimierz Borodziej and Maciej Górny set out to salvage the historical memory of the experience of war in the lands between Riga and Skopje, beginning with the two Balkan conflicts of 1912–1913 and ending with the death of Emperor Franz Joseph in 1916. The First World War in the East and South-East of Europe was fought by people from a multitude of different nationalities, most of them dressed in the uniforms of three imperial armies: Russian, German, and Austro-Hungarian. In this first volume of *Forgotten Wars*, the authors chart the origins and outbreak of the First World War, the early battles, and the war's impact on ordinary soldiers and civilians through to the end of the Romanian campaign in December 1916, by which point the Central Powers controlled all of the Balkans except for the Peloponnese. Combining military and social history, the authors make extensive use of eyewitness accounts to describe the traumatic experience that established a region stretching between the Baltic,

Reproduction of the original: Pan Tadeusz by Adam Mickiewicz

Boleslaw Prus is often compared to Chekhov, and Prus's masterpiece might be described as an intimate epic, a beautifully detailed, utterly absorbing exploration of life in late-nineteenth-century Warsaw, which is also a prophetic reckoning with some of the social forces—imperialism, nationalism, anti-Semitism among them—that would soon convulse Europe as never before. But *The Doll* is above all a brilliant novel of character, dramatizing conflicting ideas through the various convictions, ambitions, confusions, and frustrations of an extensive and varied cast. At the center of the book are three men from three different generations. Prus's fatally flawed hero is Wokulski, a successful businessman who yearns for recognition from Poland's decadent aristocracy and falls desperately in love with the highborn, glacially beautiful Izabela. Wokulski's story is intertwined with those of the incorrigibly romantic old clerk Rzecki, nostalgic for the revolutions of 1848, and of the bright young scientist Ochocki, who dreams of a future full of flying machines and other marvels, making for a book of great scope and richness that is, as Stanisław Barańczak writes in his introduction, at once "an old-

fashioned yet still fascinating love story . . . , a still topical diagnosis of society's ills, and a forceful yet subtle portrayal of a tragically doomed man.

Starting with photography in 1958, Zdzislaw Beksinski established himself as a worldwide phenomenon and Poland's leading contemporary artist. Beksinski's fantastic works are among his best-known, and the paintings collected in *The Fantastic Art Of Beksinski* reveal unforgettable images of post apocalyptic landscapes obsessively packed with death and decay. Haunting, surreal, and disturbing, Beksinski's work remains both mysterious and beautiful. This black bonded leather collector's edition features some of Beksinski's most provocative work, is signed and numbered by the artist, and includes a cloth slipcase.

This book is a printed edition of the Special Issue *Causes and Consequences of Species Diversity in Forest Ecosystems* that was published in *Forests*

Drawn from authentic valentines, postcards, and die-cuts of the early 20th century, this selection of more than 230 romantic greetings features Victorian-influenced images of children, cherubs, cupids, bouquets, and adorable animals.

"This edition has been enhanced by appendices, footnotes, maps, historical photographs and other illustrations ..."
