

Kazuo Ishiguro's bestseller from 1989 has undoubtedly suffered from now being a book which came before Julian Fellowes' *Downton Abbey*. I'm fairly certain the book was one of several major influences on Fellowes as he began to construct his epic TV series, but unfortunately the light doesn't shine both ways.

Book Review: The Remains of the Day by Kazuo Ishiguro ...

The six-day excursion becomes a journey into the Stevens' past; a past that examines fascism, two world wars, and delves into the complexities of the unrealized love between a butler and a housekeeper.

The Remains of the Day (Arabic Edition): Amazon.co.uk ...

The Remains of the Day by Kazuo Ishiguro Source of book: Audiobook from the library . A couple of years back, I read my first Ishiguro, *The Buried Giant*, which was one haunting book, a parable about the legacy of genocide which underlies "civilization." I put *The Remains of the Day* on my list, and picked up an audiobook for what I thought ...

REMAINS OF DAY By Kazuo Ishiguro | eBay

Never Let Me Go is a 2005 dystopian science fiction novel by British author Kazuo Ishiguro. It was shortlisted for the 2005 Booker Prize (an award Ishiguro had previously won in 1989 for *The Remains of the Day*), for the 2006 Arthur C. Clarke Award and for the 2005 National Book Critics Circle Award.

Never Let Me Go (novel) - Wikipedia

A contemporary classic, *The Remains of the Day* is Kazuo Ishiguro's beautiful and haunting evocation of life between the wars in a Great English House. In the summer of 1956, Stevens, the ageing butler of Darlington Hall, embarks on a leisurely holiday that will take him deep into the countryside - and into his past.

From the winner of the Nobel Prize in Literature, here is the universally acclaimed novel—winner of the Booker Prize and the basis for an award-winning film. This is Kazuo Ishiguro's profoundly compelling portrait of Stevens, the perfect butler, and of his fading, insular world in post-World War II England. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

*Kazuo Ishiguro's new novel *Klara and the Sun* is now available to preorder* From the Nobel Prize-winning author of *Never Let Me Go* Winner of the Booker Prize ONE OF THE BBC'S '100 NOVELS THAT SHAPED OUR WORLD' A contemporary classic, *The Remains of the Day* is Kazuo Ishiguro's beautiful and haunting evocation of life between the wars in a Great English House. In the summer of 1956, Stevens, the ageing butler of Darlington Hall, embarks on a leisurely holiday that will take him deep into the English countryside and into his past.

Kazuo Ishiguro's Booker Prize-winning masterpiece became an international bestseller on publication, was adapted into an award-winning film, and has since come to be regarded as a modern classic. *The Remains of the Day* is a spellbinding portrayal of a vanished way of life and a haunting meditation on the high cost of duty. It is also one of the most subtle, sad and humorous love stories ever written. It is the summer of 1956, when Stevens, a man who has dedicated himself to his career as a perfect butler in the one-time great house of Darlington Hall, sets off on a holiday that will take him deep into the English countryside and, unexpectedly, into his own past, especially his friendship with the housekeeper, Miss Kenton. As memories surface of his lifetime "in service" to Lord Darlington, and of his life between the wars, when the fate of the continent seemed to lie in the hands of a few men, he finds himself confronting the dark undercurrent beneath the carefully run world of his employer.

Continuum Contemporaries will be a wonderful source of ideas and inspiration for members of book clubs and readings groups, as well as for literature students. The aim of the series is to give readers accessible and informative introductions to 30 of the most popular, most acclaimed, and most influential novels of recent years. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question. The books in the series will all follow the same structure: a biography of the novelist, including other works, influences, and, in some cases, an interview; a full-length study of the novel, drawing out the most important themes and ideas; a summary of how the novel was received upon publication; a summary of how the novel has performed since publication, including film or TV adaptations, literary prizes, etc.; a wide range of suggestions for further reading, including websites and discussion forums; and a list of questions for reading groups to discuss.

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

Unlock the more straightforward side of *The Remains of the Day* with this concise and insightful summary and analysis! This engaging summary presents an analysis of *The Remains of the Day* by Kazuo Ishiguro, which follows Stevens, the butler of Darlington Hall, as he reflects on his situation and career. Stevens takes great pride in his professionalism and service to the owner of the Hall, and constantly puts his sense of duty above his own needs and feelings. However, the world he lives in is changing rapidly, and in the course of the novel he reflects on his past and on what he sees as a vanishing age of honour. *The Remains of the Day* is Kazuo Ishiguro's third novel and is among his most acclaimed works, winning the Man Booker Prize in 1989. Ishiguro is also known for his novels *Never Let Me Go* and *The Buried Giant*, and was awarded the Nobel Prize in Literature in 2017. Find out everything you need

Essay from the year 2001 in the subject English Language and Literature Studies - Literature, grade: 2,0 (B), University of Stuttgart (FB Anglistics), course: Essay Writing, 6 entries in the bibliography, language: English, abstract: "The Remains of the Day", winner of the 1989 Booker Prize, was written by Kazuo Ishiguro in 1989. Ishiguro was born in Nagasaki, Japan, on November 8, 1954. At the age of five he came to Great Britain, where he had a typical English upbringing with an immersion in Japanese culture and language. Ishiguro has gained a reputation as one of the finest British writers. "His fiction deals broadly with themes of self-deception, truth and the clash of public and private images of his characters. He reworks the images which people have both of themselves and of their historical background. He situates his work firmly in the inner world of his characters and often avoids much overt plot construction." While set technically in the present, most of the novel takes place in a sequence of reminiscences in the past. The book tells the story of an old man who takes a trip across England to the sea. His name is Stevens, and he had been the head butler at Darlington Hall, a famous country house, for many years. He is going to visit a woman, he has not seen in a long time: Miss Kenton, who was once the housekeeper at Darlington Hall. He thinks perhaps she can be persuaded to resume her old position under the hall's new owner, a retired American Congressman. Along his way to the sea, in flashback, we see his memories of the great days at Darlington Hall, when Lord Darlington played host to the world's leaders. The work gives you an analysis of the major parts of the book, including characterisation and development of Mr. Stevens, history in "The Remains of the Day" and structure and presentation of narrative notes.

A Study Guide for Kazuo Ishiguro's "The Remains of the Day," excerpted from Gale's acclaimed Novels for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel *The Remains of the Day* Here is the story of Etsuko, a Japanese woman now living alone in England, dwelling on the recent suicide of her daughter. In a novel where past and present confuse, she relives scenes of Japan's devastation in the wake of World War II.

Seminar paper from the year 2009 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Würzburg, language: English, abstract: In Kazuo Ishiguro's *The Remains of the Day* the first person narrator Stevens, a butler on the verge of retirement, undertakes a journey to meet – for what is likely the last time in their lives – his former coworker and love interest Miss Kenton. At the same time, he tries to come to terms with his past by reexamining his memories of his life at Darlington Hall, the choices he made and the values he had. Throughout his account it becomes increasingly obvious that Stevens's narration cannot be trusted completely. His comments on, and interpretation of, past events in his life and his portrayal of himself and others in his tale expose him as an unreliable narrator. However, his attempts to deceive himself and others are possibly the most interesting and telltale aspect of the narrative. After all, "the use of an unreliable narrator draws attention to a character's psychology." Paradoxically, the narrator reveals most about himself and his life when he is trying to obscure the truth.
