“ [A] remarkably revealing history... This well-researched, opinionated account does a fine job of filling a surprisingly empty historical niche. ” —Publishers Weekly Citizen-in-Chief, The Second Lives of the American Presidents, is a smartly researched, surprising, often witty, and always revealing look at former presidents from George Washington to George W. Bush. Authors Leonard Benardo and Jennifer Weiss offer readers entertaining true stories of the radical turns,

provocative rehabilitations, and tragic trajectories of presidential lives after the White House. Washington Post columnist Richard Cohen calls *Citizen-in-Chief*, “ an engrossing book, Benardo and Weiss tell a fascinating tale, ” and he properly states that where our nation ’ s leaders went after leading is often “ more interesting than the presidency itself. ”

Drawing for Urban Design explores a wide range of ways to represent the city, from freehand sketching to sophisticated computer models. Architects and urban planners need to describe cities in the course of their work, be it through maps, diagrams, sketches, computer renderings, or models. This book provides an introduction to these techniques while explaining the processes associated with describing and designing urban environments—it is an invaluable visual handbook for representing the contemporary city.

For the first time, the most important quotations of the great conservationist Aldo Leopold, author of *A Sand County Almanac*, are gathered in one volume. From conservation education to wildlife ecology, from wilderness protection to soil and water conservation, the writings of Aldo Leopold continue to have profound influence on those seeking to understand the earth and its care. Leopold biographer Curt Meine and noted conservation biologist Richard Knight have assembled this comprehensive collection of quotations from Leopold ’ s extensive and diverse writings, selected and organized to capture the richness and depth of the North American conservation movement. Prominent biologists, conservationists, historians, and philosophers provide introductory commentaries describing Leopold ’ s contributions in varied fields and reflecting upon the significance of his work today. Teagan Harper doesn't have much experience with guys. Her twin brothers have made sure of that. Until one night at a college party she gives them the slip, finding herself in the arms of the most amazing guy she has ever met. Now she's on a mission to find him since she ran from his bed. And forgot to ask his name... Declan Sage has had control over his entire life. But that is all about to change when the girl who ran out of his bed turns his life upside down. She is about to throw that control out the window. But he's pretty sure that's a good thing seeing as she stole his heart..

Only New York Times bestselling author Wahida Clark could take street lit to the next level in this incendiary tale of a hustler facing a game more lethal than any 'hood . . . THE GOLDEN HUSTLA She's the star sales associate of a profitable Atlanta "advertising" firm, WMM. She lives for top-of-the-line everything . . . and making enough money to finally reunite with her children. But Nina Coles is an ex-hood-rat in hiding. And no amount of paper can keep her safe from a ruthless FBI agent who's determined to take down the shady company she works for. Now Nina's vicious, greedy boss Rinaldo is defying the feds and endangering everyone to rack up several last scores. Her conniving ex-partner Akil is playing Nina against WMM and the mob to get his hands on the company's multimillion-dollar stash. And sexy undercover cop Rick is proving to be one danger Nina can't figure out-or get enough of. Between betrayal, lies, and murder, Nina must risk everything on one last deadly hustle that almost guarantees winner lose all . . .
