~~Chosen for Greatness unveils the truth of our ultimate destiny in God. There is a great deal of misinformation in the Body of Christ concerning the believer's purpose and destiny in God's ultimate intentions. Dr. Varner strips away the religious veneer clouding the issues. With a stroke of the prophetic pen he draws a dramatic picture of the greatness of your place in Jesus. With one shake of the spiritual kaleidoscope Dr. Varner brings clear and prophetic focus to the Biblical drama surrounding God's divine purposes for the church. You will be stunned by the significant part you play in God's plan for the end of days.~~

~~Are you burning with a passion to pursue the high call of God and earn the eternal prize? Sound the Alarm is a prophetic cry to forsake religious tradition and usher in a Third Day revelation of the Lord. Discover how to sanctify yourself to His purpose to emerge from desolation, consecration and reformation as a champion for Christ. Now is the time for the Church to return to the power of preaching a pure Gospel. With its in-depth look at the Book of Joel, Sound the Alarm sounds the trumpet for a radical movement of apostolic reform.~~

~~The prophet Haggai's life and words hold a prophetic message for the Body of Christ today. In a derailed study of the Book of Haggai, Pastor Vamer presents the unshakable peace that characterizes the Church that Jesus is building!~~

~~If Jesus is King and reigns from His throne in Heaven, can the Church abandon the world to satan and wait for their escape from tribulation? Here Pastor Varner carefully examines the Scriptures for a proper perspective on Christ's Lordship and dispensationalism.~~

~~You will be left breathless as this prophetic writer cuts through the confusion and fear surrounding the times in which we live. Be prepared to see and understand the end of the age like never before. Be prepared to discover your role during the most incredible time in history to be alive.~~

~~Vamer believes that the key principle to moving on in God is a balance of two extremes. You must have both a solid foundation in biblical principles and a knowledge of how to make them practical in your life. Here you'll learn three basic ways to be an overcomer.~~

~~Pastor Varner deals with the practical dynamics of growing up in the Lord, moving from adolescence to maturity, from double-mindedness to confidence, from the Holy Place to the Most Holy Place. He speaks of a glorious return to the centrality and preeminence of Jesus Christ in our daily lives.~~
