market-leading text for e-commerce "This comprehensive, market-leading text emphasizes the three major driving forces behind e-commerce--technology change, business development, and social issues--to provide a coherent conceptual framework for understanding the field. Teaching and Learning Experience This program will

Online Library Kenneth Laudon E Commerce 2012

provide a better teaching and learning experience--for both instructors and students. Comprehensive Coverage Facilitates Understanding of the E-Commerce Field: In-depth coverage of technology change, business development, and social issues gives readers a solid framework for understanding e-

Online Library Kenneth Laudon E Commerce 2012

commerce. Pedagogical Aids Help Readers See Concepts in Action: Infographics, projects, and real-world case studies help readers see how the topics covered in the book work in practice.

When we think of surveillance in our society, we usually imagine “ Big Brother ”

Online Library Kenneth Laudon E Commerce 2012

scenarios with the government tracking our every move. The actual surveillance of our everyday lives is much more subtle, however, and may be more insidious.

William G. Staples shows how our lives are tracked by both public and private organizations—sometimes with our consent, and sometimes without—through

Online Library Kenneth Laudon E Commerce 2012

our internet use, cell phones, public video cameras, credit cards, license plates, shopping habits, and more. Everyday Surveillance is a provocative exploration of the myriad ways we are watched each day, and how this surveillance shapes our lives. Thoroughly revised, the second edition considers new topics, such as the rise of

Online Library Kenneth Laudon E Commerce 2012

social media, and updates research throughout. Everyday Surveillance introduces students to concepts of social control and incites classroom discussion about how surveillance impacts the ways we understand people and our lives at home, work, school, or in the community.

Online Library Kenneth Laudon E Commerce 2012

Based on the authors' market-leading E-Commerce. Business. Technology. Society., this brief book offers the same thought-provoking and current content but in a brief format. E-Commerce Essentials emphasizes the three major driving forces behind E-commerce—technology change, business development, and social issues—to provide
