Keys to Teaching Grammar to English Language Learners: A Practical Handbook is not intended to be an exhaustive reference book about ELL grammar. Written for classroom teachers (K-12, ESL, EFL), this book teaches the most common ELL grammar points in an accessible way through real ELL errors with suggested teaching techniques. Relevant grammar terminology is explained where practical. The four objectives of the book are to help teachers: (1) identify common ELL grammar points and understand the details associated with each one; (2) improve their ability to answer any grammar question on the spot (when on the "hot seat"); (3) anticipate common ELL errors by grammar point, by first language, and by proficiency level; and (4) develop more effective grammar/language learning lessons. The presentation of each of the 15 keys (grammar points) features information on typical ELL errors, an accessible grammar explanation including examples of mistakes, a native language interference chart, and ideas for teaching the grammar point. The Workbook for Keys to Teaching Grammar to English Language Learners provides extra practice in the grammar points studied in the handbook.

This workbook accompanies Keys to Teaching Grammar to English Language Learners: A Practical Handbook by Keith S. Folse (ISBN: 978-0-472-03220-4). The Workbook has exercises that carefully follow the sequence of material in the Handbook. To facilitate use of the Workbook with the Handbook, each exercise is coded with the corresponding pages for the material in the Handbook. Reflecting the different learning styles in any given class, the exercises practice identifying grammatical features in a variety of different ways, including many charts, matching activities, and short answer questions. In addition, the Workbook has a variety of exercises consisting of sentences typical of English language learners so that teachers can become familiar with specific types of errors that ELLs make with certain grammar points. The Workbook also features some action research projects to guide teachers in collecting small samples of data from their target student populations.

This book teaches the most common ESL grammar points in an accessible way through real ESL errors together with suggested teaching techniques. Relevant grammar terminology is explained. The four objectives of this book are to help teachers: (1) identify common ESL grammar points and understand the details associated with each one; (2) improve their ability to answer any grammar question on the spot (when on the "hot seat"); (3) anticipate common ESL errors by grammar point, by first language, and/or by proficiency level; and (4) develop more effective grammar/language learning lessons. These objectives are for all teachers, whether they are teaching grammar directly or indirectly in a variety of classes -- including a grammar class, a writing class, a speaking class, an ESP class, or a K-12 class.

Important, yet playful, grammar -- Sensible sentences and categories of clauses -- Naming nouns and pronouns -- Vivid verbs -- Admirable adjectives and adverbs -- Among prepositions and conjunctions and interjections. Wow! -- Putting it all together -- Final thoughts: a spoonful of sugar -- Appendix A. Grades at which grammatical concepts commonly are taught -- Appendix B. Test yourself -- Appendix C. A collection of collective nouns -- Appendix D. Jean's suggested music for Rachmaninoff to reggae to rap -- Appendix E. Additional resources for classroom use -- Appendix F. Reproducibles -- Works cited

A guide to combining grammar teaching with a broadly communicative methodology.

This book is intended for teachers of English.

"The Teacher's grammar of English enables English language teachers and teachers-in-training to fully understand and effectively teach English grammar. With comprehensive presentation of form, meaning, and usage, along with practical exercises and advice on teaaching difficult structures, it is both a complete grammar course and an essential reference text."--Back cover.

Clear Grammar is a four-level grammar series that features a unique combination of useful grammar information written in clear language with activities that promote more accurate and fluent vocabulary usage, writing, speaking, and reading. Important features of all four new editions of Clear Grammar include: More user-friendly charts to accompany grammar explanations High-frequency, corpus-based vocabulary related to each grammar point Grammar discovery tasks using students ' inductive learning skills A greater variety and increased number of activities, including more practice online Many more activities at the longer discourse level The addition of reading practice at the end of the unit, as well a critical-reading task More writing practice, including one on editing student writing and another for original student writing Two vocabulary practice activities, including a focus on collocations, in each unit, as well as many one-minute mini lessons showing the connection between grammar and vocabulary More speaking practice, with activities that require students to speak and listen to each other while using the target grammar Support for teachers in the form of indicators that reference how to teach the grammar points in the Clear Grammar series from Keys to Teaching Grammar for English Language Learners by Keith S. Folse (978-0-472-03220-4). Clear Grammar 2 offers students and teachers a solid introduction to low-intermediate grammar. Clear Grammar 2, 2nd Ed., includes * Articles * Past tense of irregular verbs * Present perfect tense * Adverbs of frequency * Nouns used as adjectives * Object pronouns * Past progressive tense * One and Other * Possessives *Comparatives and superlatives *Modals The book's companion website includes the additional grammar/vocabulary activities that are referenced in the textbook.
